DEDICATION

We, the Seniors of 1950, wish to dedicate our annual, "The Eagle", to a classmate and friend, Gerald Lee Uhland. Jerry was deprived of sharing many of our senior pleasures because he was confined to the Corwin Hospital with poliomyelitis this past year.

CLASS HISTORY

Twelve years ago 20 scared little boys and girls started on a journey, through school September 12, 1938, Neal Blooding, Richard Crow, James Keith, Homer Lathem, Joseph Meuren, Willard Nordick, Robert Palmer, Edward Peters, Robert Shaw, Gerald South, Jerry Uhland, LeRoy White, Bobby Briley, Barbara Kerst, Joy Lou Latham, Mary LaVelle, Julia Mae Owen, Clara Smith, Patricia Watts and June Lennon, losing June Lennon, Robert Shaw and Bobby Briley.

As we continued to build our future in 1939 we had 15 mates gaining two new ones, Harry Abrams and Richard McEven and losing four who were Richard Crow, James Keith, Edward Peters and Gerald South, and then took a vacation.

1940 found us with two more to help us build our future. They were the twins, Lois and Louis Davis; but we lost one who was Robert Palmer. We now had 16.

In 1941 we had 18 gaining five, Max Brillhart, Bobby Preddy, Francis Morton, Mary Jean Hutt, Mary Lou McCall; and losing three, Richard McEven, Robert Palmer, and Homer Latham.

We now only have 13 as we came back in 1942. We gained 4, Harry Abrams, Clyde Gilley, William Sims, Melva Lahr, and lost 9, Joy Lou Latham, Clara Smith, Lois and Louis Davis, Max Brillhart, Bobby Preddy, Francis Morton, Mary Lou McCall and Harry Abrams.

1943 found us building with 16 members, gaining 4, Francis Morton, Mable Bradford, Jackie Fluke, Alvin Carson and losing one, William Sims.

In 1944 we gained 4, Gene Conner, Dorothy Dunn, Marilyn Spirk and Lois Weber and lost two, Alvin Carson and Joseph Meuren.

We gained Robert Mays, Preston Hay and Harry Abrams in 1945; and lost 5, LeRoy White, Francis Morton, Marilyn Spirk, Dorothy Dunn and Lois Weber.

Our first year in high school began in 1946 where we gained 14, Ralph Uhland, Reggie Lane, Evelyn Wimp, Wilma Thomas, Melba Stroup, Bonnie Lewis, Judy Kelley, Margie Hoepner, Glenda Freeman, Jim Wimp, Clayton Peck, Russel Lyon, Don Brabb and Francis Morton; we lost 8, Reggie Lane, Ralph Uhland, Preston Hay, Robert Mays, Willard Nordick, Jim Wimp, Russel Lyon and Clyde Gilley.

1947 found us as we started building with 22 gaining 7, Ethel Holter, JoAnn Colvin, Howard Conklin, LaVerne Criswell, Herbert and Hubert Davis, Dale Patterson; and losing 7, JoAnn Colvin, Francis Morton, Wilma Thomas, Melba Stroup, Howard Conklin, Don Brabb and Neal Blooding.

We gained 2 in 1948, Francis Morton and Don Brabb; lost 5, Mable Bradford, Mary Jean Hutt, Gene Conner, LaVerne Criswell and Dale Patterson.

Now in 1949 we are a little more experienced with our work so we will keep on building our house of opportunity, we lost 4, Evelyn Wimp, Jerry Uhland, Don Brabb and Francis Morton; and gained 1, Bill Fischer.

CLASS WILL

We, the 1950 graduating class of the city of Eads, State of Colo. being of sound disposing mind and memory, do hereby make, publish, and declare this to be our last will and testament and hereby revoke all wills and codicils by us at any time heretofore made.

After polishing apples for four years, CLAYTON PECK has decided to pass along the trait to Dickie Fluke, hoping it will help him more than the ducks did! To Lynn Healey goes HERBERT DAVIS' great mind for basketball. Lynn should welcome any kind of mind. BONNIE LEWIS wills her knack of chewing and popping gum to Lois Laing to see if she can get by with it any better than Bonnie did--How about it, Mrs. Barker? After thinking the matter over quite a while, PAT WATTS has decided to will her long fingernails to Wanda Smith. She might need them in a pinch. HARRY ABRAMS wills his ability to be mischievous to George Schleining so he can always make a hit with the girls. On second thought, maybe you should try another method, George. MARGIE HOEPNER wills her extra inches to Irene Peck. This should make you grow up and take notice now, Irene! To Glenna Perkins goes JUDY SMITH'S ability to catch a husband. Go to it, Glenna! ETHEL HOLTER bequeaths her funny school-girl giggle to David Brabb. Gee whiz, David, won't you have a cute one now?? To Donna Bell goes MELVA JUNE LAHR'S ability to stay put on her chair in commercial math, for some odd reason, she never could. MARY VIRGINIA LaVELLE wills her alarm clock to Pete Hoepner to help him get up in the world.

To Jean Hainer JULIA MAE OWEN leaves her horse so she can be a Rodeo Queen too. JACKIE FLUKE bequeaths her sense of humor to Dolores Wimp, hoping everyone will get a big bang out of it To Shirley Williams goes MELVA JUNE LAHR'S school nickname of MINERVA SNEER, knowing she won't mind having another one. HUBERT DAVIS wills Bob Wimp his ability to work hard in school. Bob should appreciate this. MARGIE HOEPNER'S come-hither smile is given to Leila Freeman. Need we say more?? To Edward Peters goes BARBARA KAMMARCAL'S great mind for bookkeeping because Edward will surely need it next year! GLENDA FREEMAN leaves her pixie personality to Betty Drescher, in hopes she can get out of as many scrapes as she did with it. BILL FISCHER wills his ability to slide street corners to Danny Jackson.

CLASS PROPHECY

Today is indeed a very gay one for this is The day-May 1950. It commemorates the 10th anniversary of graduation, of the class of 1950 from Eads High Station T-I-M-E from the dust belt is broadcasting the event, as it is representative of what has happened to millions of graduates all over the country in the past 10 years. Melva June Lahr has flown in from New York, and has promised to act as announcer for the event. She and Mary LaVelle share an apartment in the Astor Hotel, in New York. While Melva June has made a name for herself as the first woman who could talk as much as Hedda Hopper. Mary was certainly not sitting around idle. She has already given a piano concert in Deafman's Hall and acted as music critic for the New York Times and has often been called upon to accompany the famous Pily Lons over the radio.

After Mary and Melva June had arrived at the station they were not a bit surprised to find Mr. R. D. Farthing acting as toastmaster, he was the man who had very patiently put up with them for many years of their schooling.

The first couple who was interviewed, was a tall gangly man and an attractive blond woman. At first we couldn't recognize them, then the man lifted his huge 10 gallon hat and when we saw that head of curly hair, we knew it to be none other than Clayton Peck, our class president. Sure enough the woman beside him was Mrs. Peck-nee Bonnie Lewis, she hadn't changed a bit either for we had to ask her to step away from the mike a bit for she was popping her gum too loudly. We were saying goodbye to the Peck's when all at once we heard a terrible shriek from in the audience and when we investigated we found a goodlooking young man, with a large beany shooter in his hand, and not far away, looking as if her pride or something had been hurt, stood Glenda Freeman. No, Harry Abrams hadn't changed much either.

The next lady brought up to the stage, we found to be Mrs. Judy Smith, who had been our annual queen in 1950, who told us that Mr. Smith was seated in the audience, with their family, a small outfit of 4 sets of triplets, and that they were living in a small bungalow of 199 rooms not far from Eads. Approaching us next, we found a girl whom we knew very well in school; namely, Miss Margie Hoepner, who told us she was secretary to the president of C. U. For some odd reason Margie has never lost her fondness for Colorado University. Behind Margie came a very lovely lady whom we remember as Jackie Fluke, but who was now Mrs. Gene Bailor. Mr. Bailor was along too. Everyone was being seated in the dining room and the banquet was about to begin, so we would continue our interviewing from the dining room. I found sitting beside me Mr. and Mrs. Herbert Davis and he told me that they owned a large sheep ranch near Haswell now, and were doing very well on it. Seated on the other side of me I found his twin brother Hubert, who is a very famous scientist. Not far down the table I heard a woman talking, so I went to investigate and found it to be none other than Julia Mae Owen, who was very well known for her pure-bred Hereford cattle and her beautiful ranch house near Denver. All at once we heard a terrific noise, and turned to find a very distinguished looking couple, it was none other than Mr. and Mrs. Andy Haller. We knew her when she was Ethel Holter. While they were all having coffee, we decided to wander around a bit and who was the first person we ran into, but a very beautifully groomed lady. It was Miss Pat Watts, who told us she was proprietor of "Patties Wack and Hack" beauty salon. Sitting farther down the table we saw a very rich looking, handsome young man, so naturally we advanced as quickly as possible, and found it to be none other than Bill Fischer, who told us that he was now head photographer for Getro-Molden Mayer, and was at present working on a film about the pharmaceutical works of Dr. I. Blownup and his assistant research chemist, Barbara Kerst Kammarcal. Barbara was also a member of our graduation class. Finding we had interviewed all of our guests we were about to sign off, then we thought of our class motto. "The Logs Lie Before Us, Let Us Build". We wonder if we have lived up to it.

Eads Band has won many laurels in its history. No doubt it will gain many more before this year is over. It competed in the Holly Music Festival on March 25th and in the Limon Band Festival on April 18. It played for Kiowa County Fair, again this year, as it probably will continue to do as long as there is a Fair.

HIGH SCHOOL BAND

By the year 1911, the High School Band had been organized and had been playing for several years. The band was composed of students from the high school and was directed by Mr. J. H. Smith. The band was very popular and was often called upon to play at various social events and school functions. The band was also responsible for the music played at the school's annual assembly and for the music played at the school's graduation exercises. The band was a very important part of the school's musical program and was a source of pride for the school and the community.

There's a Right Way
to do everything.

A lariat, well handled, would "ground" that steer in minutes. It's the right way to do the job.

There's a right way to do the servicing work on your John Deere Equipment. The mechanic who is trained to service the equipment the way the factory recommends . . . who has the right precision tools with which to do the work . . . and who uses genuine John Deere Parts as replacement parts, is able to do the work quickly . . . efficiently . . . economically.

Ours is the only shop in this community that guarantees all three . . . trained mechanics, precision working tools, and genuine John Deere Parts. This means your John Deere Equipment will come back looking and running like new . . . ready to give you dependable, efficient performance for many months to come. See us for full details.
