Class Will

We, the Senior Class of 1954, of Towner High School in the State of Colorado, being of sound body and mind, after twelve strenuous years, do hereby publish and declare this as our last and best will and testament, do hereby will and bequeath our worldly possessions to our lower classmen as follows:

Gary Anderson endows his sarcasm to the teachers, and his conceitedness to anyone who will take it. To Arthur McFarlane he wills his great ability to catch girls.

Alwyn Sloan wills his pleasing disposition to Lola Bernard and his ability to be good in sports goes to Ronnie Barnes. He leaves his old girl friends to anyone who will take them.

Kathleen Hofmeister endows her temper to Rebecca Brodie. Her ability to get along with the men teachers goes to all the younger girls, and her catty remarks to anybody who wants them.

Joan Humburg wills her red hair dye to Lola Bernard. Her size to Rebecca Brodie, and her driving skill to Shirley Owen.

All the members of the class will and bequeath their old books and their ability to use them to the lower classmen through the coming years.

Towner, Colorado
November 20, 1964

Dear Old Professor Pierce,

I'm highly pleased to learn that you are now retired and spending your days shootin' varmints in the Ozarks.

I have received letters from all the graduates of 1954. Seems as though they're all doing fine. Probably largely due to your careful guidance of them when you taught here.

Mrs. Walter Holland, the former Kathleen Hofmeister, is keeping house and caring for her two sons and daughter. Mr. Holland has a ranch in Texas which has several oil wells on it.

Gary Anderson is now married to the former Shirley Owen. I imagine you have heard that he has the world's most popular dance band.

Mrs. Gene Boise, the former Miss Joan Humburg, is now nursing in the new hospital in Hawaii for which her husband, a millionaire wheat farmer, donated the money.

Alwyn Sloan and his wife, the former Rebecca Brodie, are now living in Denver where he is president of the "Colorado Ditch-Digging Co." They have three small children and are leading a very happy life.

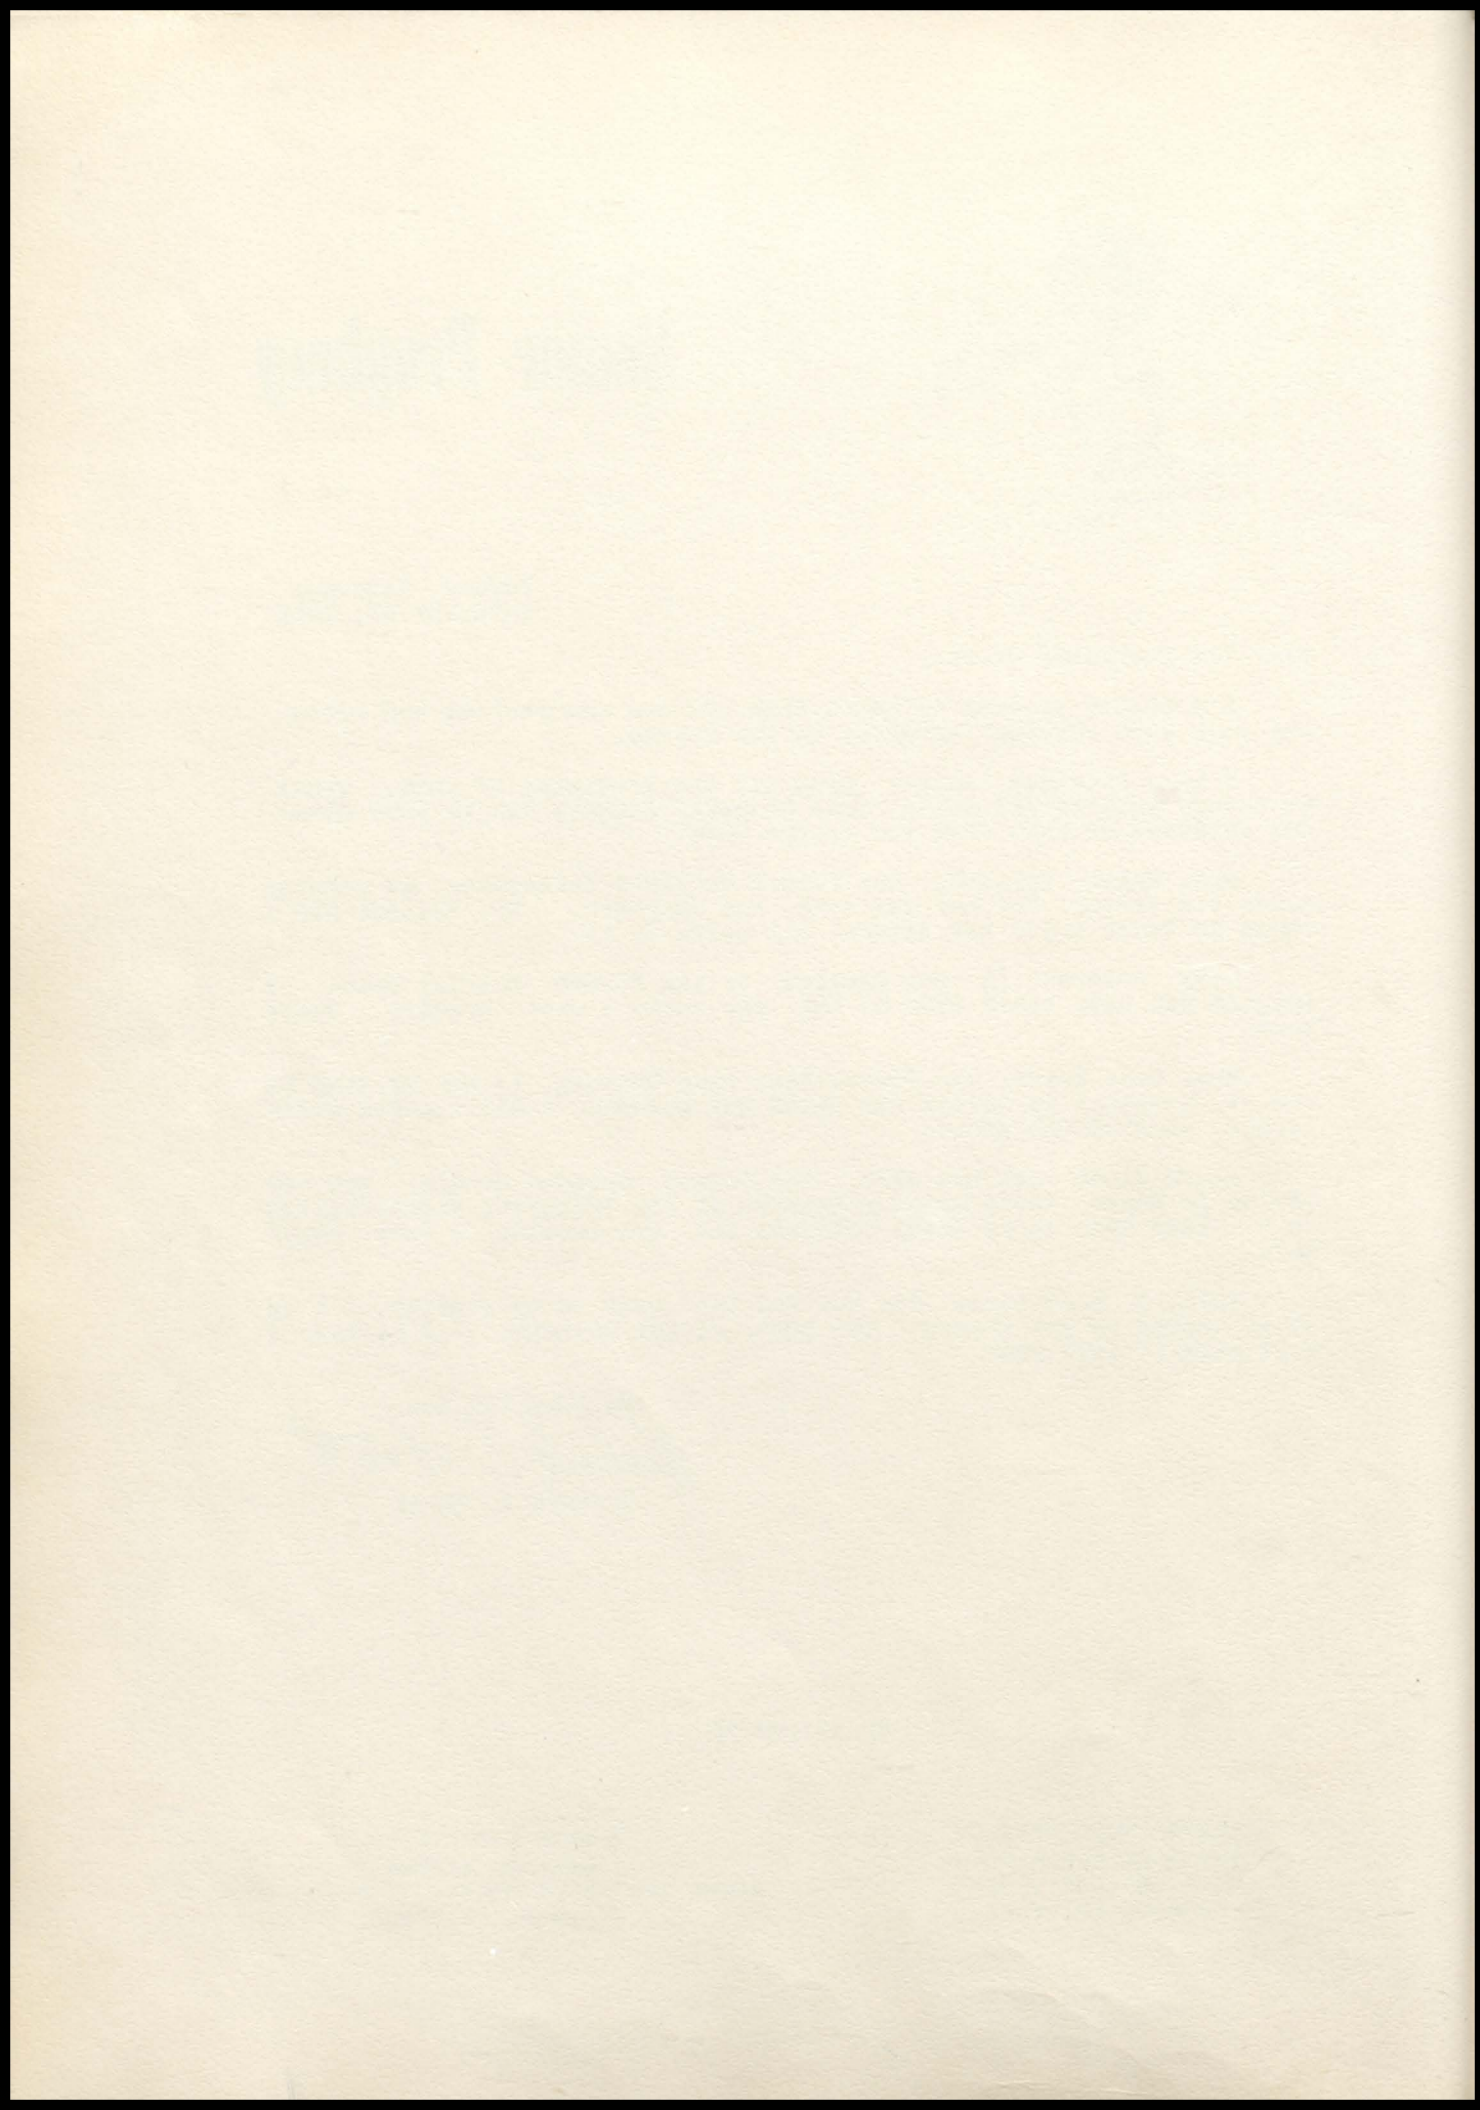

Well, I must close for now and get back to my studies. I am still trying to get through the Lamar Junior College. I believe I will make it this year.

So long for now

Senior Class History

Twelve years ago, in the school year of '42-'43, eleven little girls and boys crossed the threshold to the Towner Public School to begin their schooling. They were Gary Anderson, Ronald Barnes, Glendoris Giskie, Joan Humburg, Kathleen Hofmeister, Patsy Salem, Robert Steward, Orvil Loftis, Ora Smith, Johanna Terrell, and Melvin Widhalm. Alwyn Sloan enrolled at the beginning of the second semester. Our teacher was Mrs. Estalene Guy.

In our second year we lost Ronald, Orvil, Johanna, Melvin, and Robert. Three new pupils enrolled to make us ten students. They were: Shirley Laird, Carrol Sloan, and Mary Lou Hoffman. Our second year teacher was Mrs. Alva White.

Our next year we lost Ora Smith, and gained Emma Jane Libertus which again made us ten students. Our third grade teacher was again Mrs. White.

Our fourth year, Emma Jane withdrew and Marlyn Patterson enrolled and left in the middle of the year, and Joanna Stum came in the middle of the year. Our teacher was Mrs. Warrington.

In our fifth year Mary Lou withdrew and Marguerite Smith enrolled. This again gave the class ten students. Mrs. Lorraine Scott was our teacher.

Our sixth year we lost Shirley Laird and gained Marlyn Patterson. Our teacher was again Mrs. Lorraine Scott.

We started the seventh grade with the same ten students but soon lost Patsy Salem and Marguerite Smith. This was an extra special year for all of us. We were allowed to play basketball, baseball, and softball with the upper classmen. Our teachers were Mrs. Rhua Sloan, and Bill Firner.

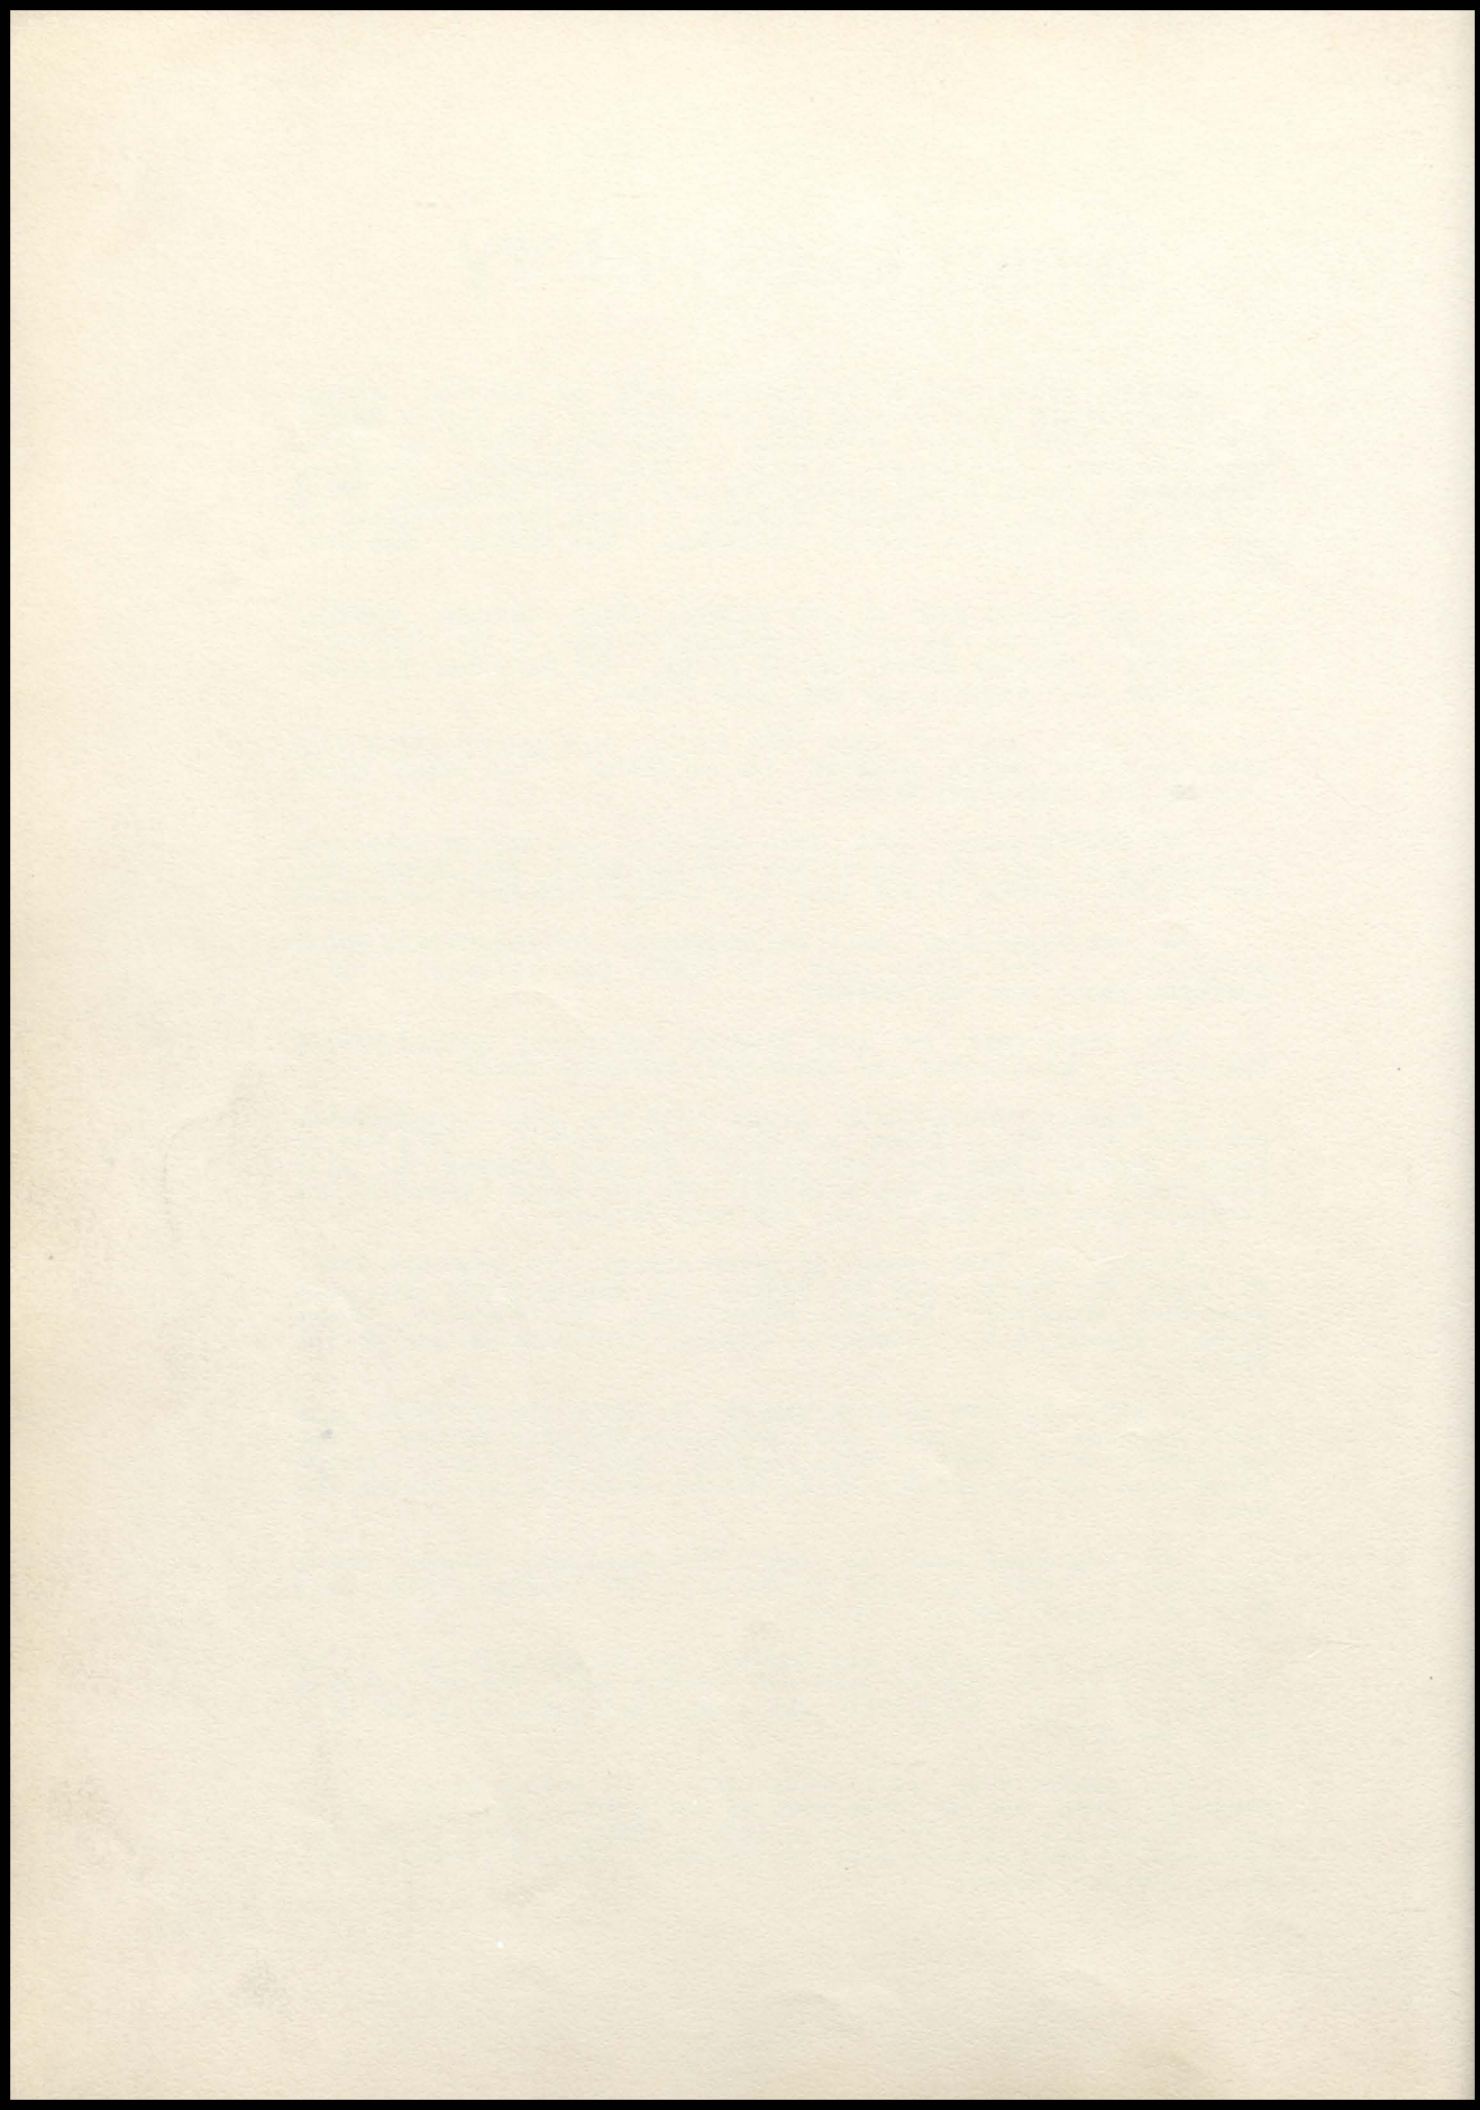

During our last year of grade school our teachers were, Mr. Mead, Mr. Seely, and Mr. Davis. Our eighth grade graduates were Gary Anderson, Kathleen Hofmeister, Joan Humburg, Alwyn Sloan, Joanna Stum, Glendoris Giskie, Carrol Sloan and Marlyn Patterson.

At last we were in high school! We began our Freshman year with the same group that had graduated the year before. Our teachers were Mr. Davis, Miss Terrill, and Mr. Temple. Carrol Sloan soon left us and Ila Marie Hainer enrolled to finish the year.

Our sophomore year we lost Ila Marie and Lonnie Roush enrolled to leave us eight students. Our teachers were Miss Ryan, Mr. Davis, and Mr. Temple.

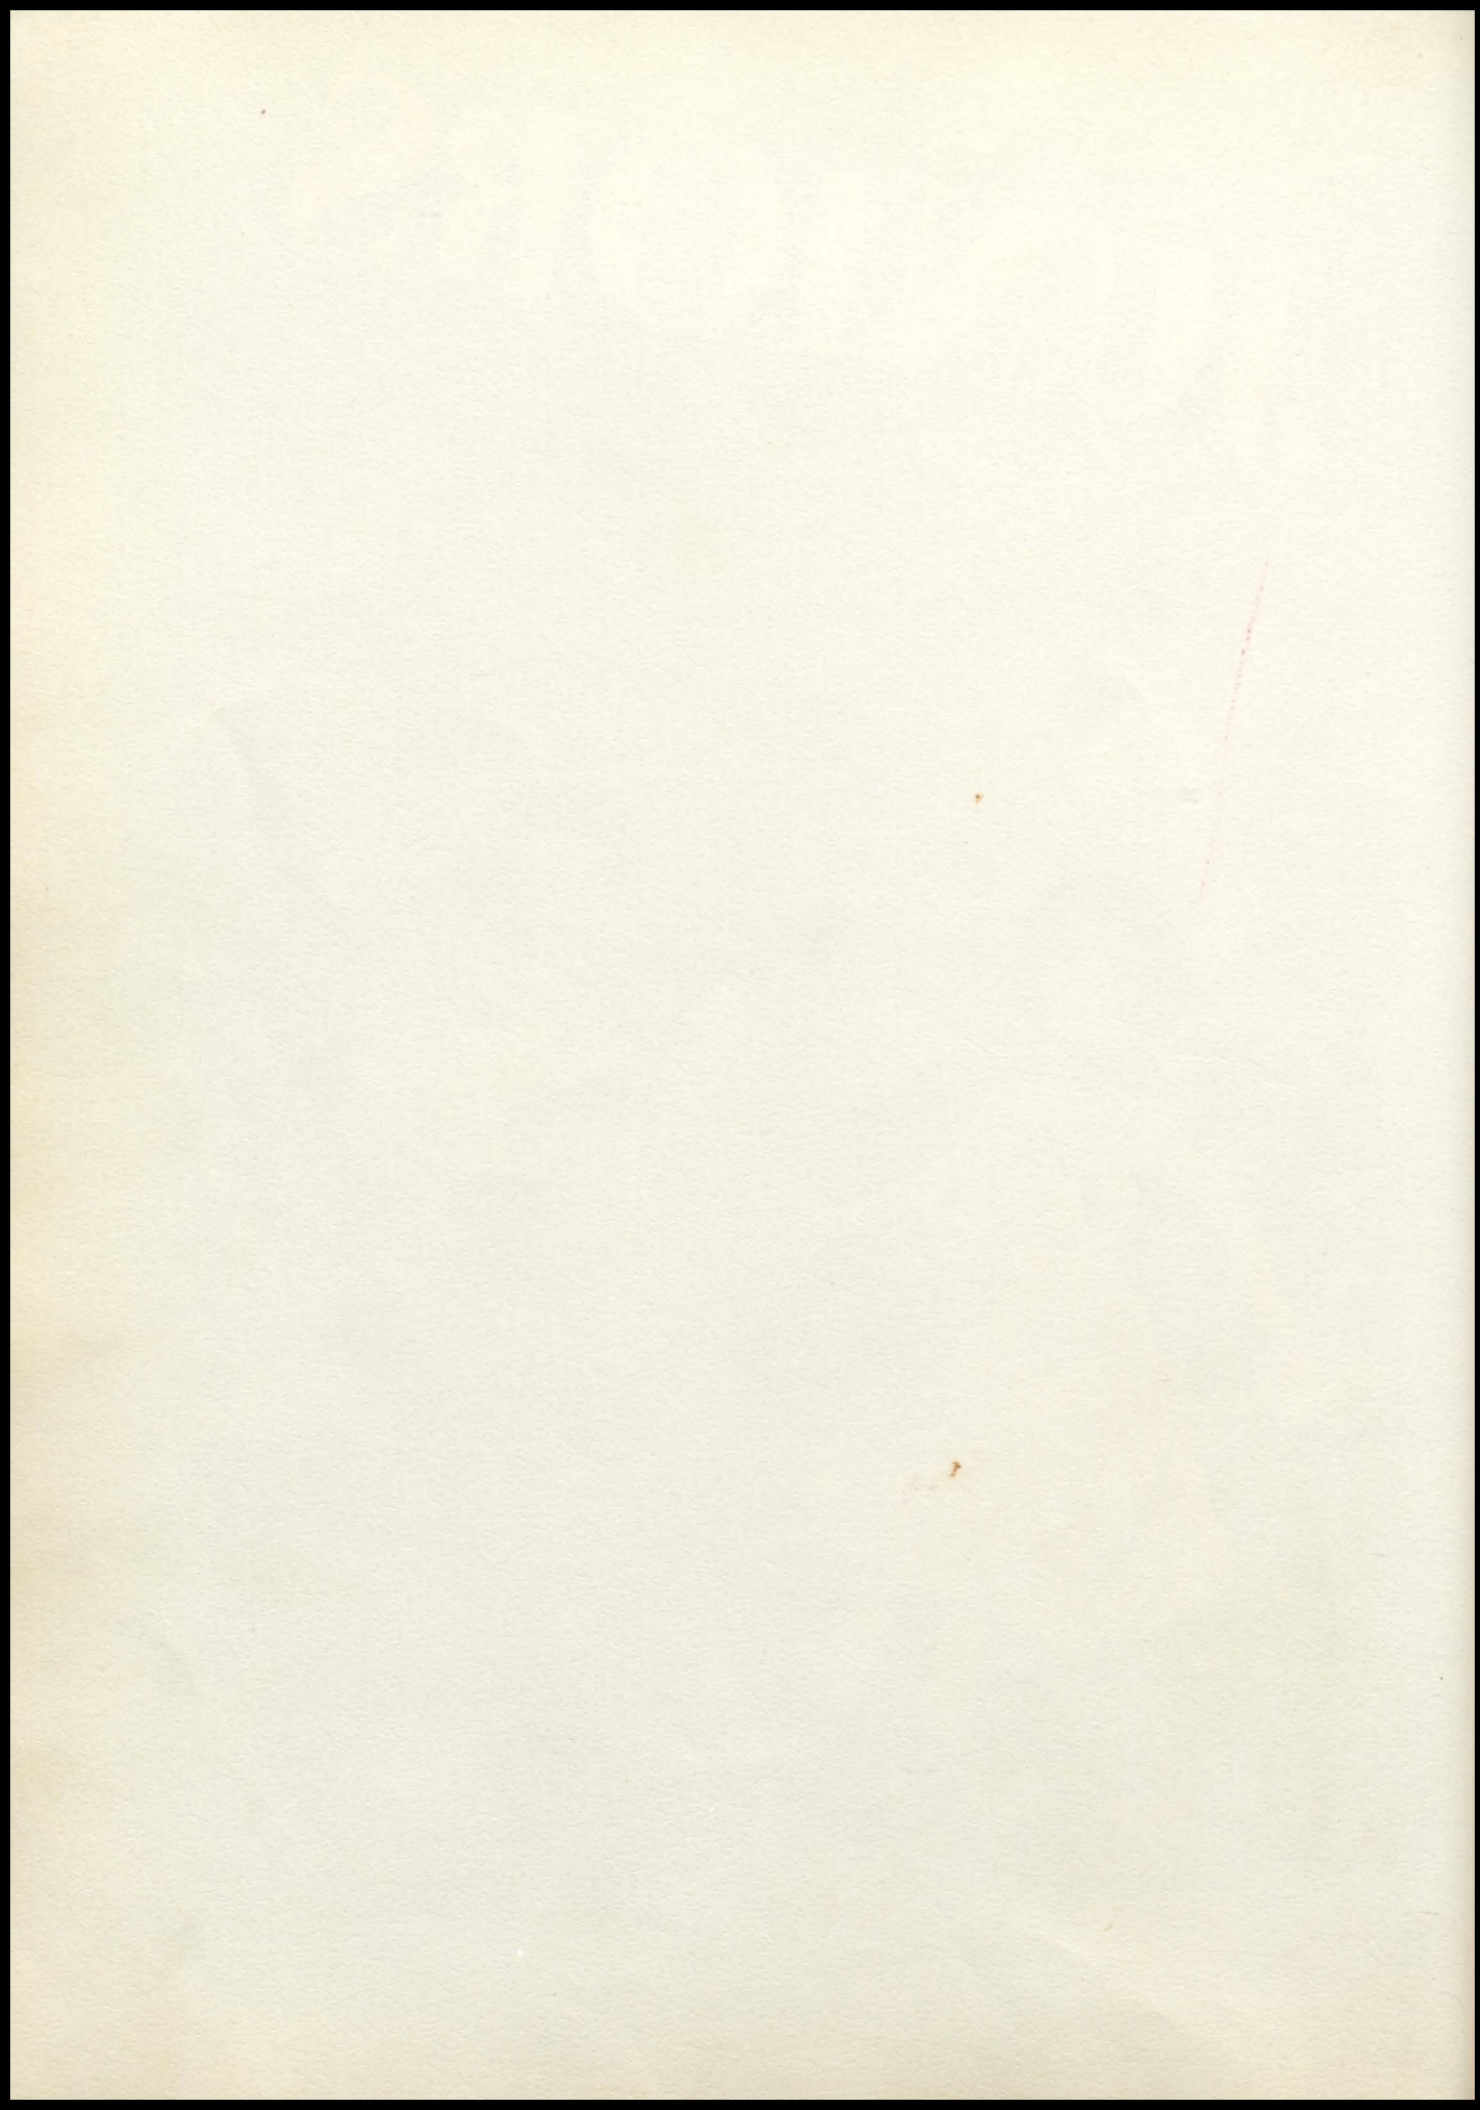

During the junior year Lonnie and Marlyn left us. The highlights of our junior year was making money for the junior and senior trip, however it was a very enjoyable trip and well worth the effort.

Our senior year is finally here. Of course we are quite ready to leave but we leave some of our fondest memories behind us. There are just four of us left, Alwyn, Gary, Joan, and Kathleen. Our teachers were Mr. Pierce, Mrs. Silliman, Mr. Mead, and Mrs. Gereke.

Junior History

The Junior Class of 1954 contains five scholars, Loretta Mae Stum, Shirley Owen, Arthur McFarlane, Ronald Barnes, and Richard Scott.

The Junior class takes part in most high school activities. The boys are all on the basketball squad and soft-ball team. The girls are on the girls basketball team, softball team and the tumbling team. The girls are also the cheerleaders for the pep club.

All members participate in the Towner School Band, which was organized by Mr. George Mead, the music instructor. All members play in the dance band.

The entire class made themselves eligible for the poor-house, by buying our class rings. We think they were well worth the money and are very proud of them.

We are all looking forward to being in the Junior and Senior class play.

We are also looking forward to the idea of just one more year in high school.

The freshman class had three students at the beginning of the year. They were Charles Cobb, Frank McKedy, and Rebecca Brodie. They gained Lola Bernard in the first six weeks of school. The Sophomore class consisted of one student, Floyd Barnes.

Five courses were offered to the freshman and sophomore class. Mr. Pierce taught American government, math, and science. Mrs. Silliman taught English and Mr. Mead taught typing and band.

Three of the five freshman and sophomore students took band. Charles Cobb played the trumpet, Rebecca Brodie played the trombone, and Floyd Barnes played the clarinet.

Both the girls and boys took part in physical education. The beginning of the year they played softball and volleyball. Later they took part in calisthenics, tumbling, and basketball.

The freshman and sophomore classes are both proud to be members of the Towner High School.
