## Annual Staff

LEFT TO RIGHT: Nelson Grayson, Charles Humburg, Mr. C. L. Deister, Sponsor, and James Reinert

By means of this publication, we share our school year with you. We could have used a few more in our class to help us with this--especially a few girls to give an artistic touch. However, we have succeeded in editing and publishing as best we could the material for this 1959 Tiger, and hope you are enjoying it.

## The Bookmobile

Under the sponsorship of the Federal and State governments a Bookmobile has been serving seven Southeastern Colorado Counties, including Kiowa County. On the last Thursday of each month at 9:50 A. M. the Bookmobile pulled up at the curb in front of the Towner School. Each month we were allowed about 150 books for the school, and many people of the community also checked out books.

Headquarters for the Bookmobile is Las Animas, where they have a central library, with about 25,000 books. We hope this service can continue in Towner.
