The Board of Education of Towner Public School, who have spent many hours working toward the good of the school, are:

HAROLD HENRY, President

LARRY KELLY, Treasurer

DELBERT BUTLER, Secretary
MR. AND MRS. MERLE W. HAMMOND, of Lamar, are our Custodian and Lunchroom Cook.

Our Bus Drivers this year are: DELMAS BEAMAN, JUNIOR PIERSON, and LEE EVANS. This is the sixth year Junior Pierson has been a driver for Towner School. Lee Evans was also maintenance man for the buses.
By means of this publication, we share our school year with you. We could have used a few more in our class to help us with this—especially a few girls to give an artistic touch. However, we have succeeded in editing and publishing as best we could the material for this 1959 Tiger, and hope you are enjoying it.

CHARLES HUMBURG seems to enjoy being in a class by himself—he always has his own way. Does this make you a bit spoiled, Charlie?
MRS. IRENE DEISTER is our classroom teacher, with
Mr. Deister our music and band teacher, and Mr.
Mead having our social sciences.

JEANNIE BRODIE is in a class by herself—at least
she is the only one in the Eighth Grade.
ABOVE: Mrs. Deister and the Junior High Class are finding how many teaspoons, cups, pints, quarts, and cetera make one gallon.

BELOW: Mr. Mead and the Junior High Leather Class show off some of their fine leatherwork.

The Bookmobile

Under the sponsorship of the Federal and State governments a Bookmobile has been serving seven Southeastern Colorado Counties, including Kiowa County. On the last Thursday of each month at 9:50 A. M. the Bookmobile pulled up at the curb in front of the Towner School. Each month we were allowed about 150 books for the school, and many people of the community also checked out books.

Headquarters for the Bookmobile is Las Animas, where they have a central library, with about 25,000 books. We hope this service can continue in Towner.
