Senior Prophecy

Good evening, ladies and gentlemen. Here we are on TV again. It's May 11th-the year of 1976. Every two weeks the Gooey Gumdrops people choose the outstanding people of the year and interview them. Tonight is our biggest night ever; it seems we are interviewing the class of '61 from Towner High, which by the way, is one of the biggest metropoluses in the United States.

First we have Dr. Russella Hofmeister. Dr. Hofmeister received her PHE, SQD, and PDQ at C. U. She has dedicated her life to the study of mice. She has made one very startling result and is a great addition to the study of Science.

Next we have the famous guitar player and singer, Mr. Larry Herren. It seems that Mr. Herren just finished a 14 week engagement at the Stork Club. Mr. Herren is also a family man; he has eight sons and six daughters, all of whom are musically inclined.

Now a minute for our sponsors. Keep this in mind, folks, the Gooey gumdrop Company is world famous. It's eaten by old and young alike. You'll love the gumdrops and they will love you.

Last, but not least, is Mrs. Darell Wright, the former Lonetta Hess. Mrs. Wright lives at their large estate east of town and is the mother of twelve children. She claims "It's cheaper by the dozen." Mrs. Wright is known all over the state as the best cherry pie maker.

We find that this completes the review of the class of '61.

We will close tonight with a word from our sponsor.

It's so-o-o delicious, it doesn't stick between your teeth. Don't forget for relief, just sink your gums into a Gooey Gumdrop. It's the world's best. This is DROP DEAD signing off.

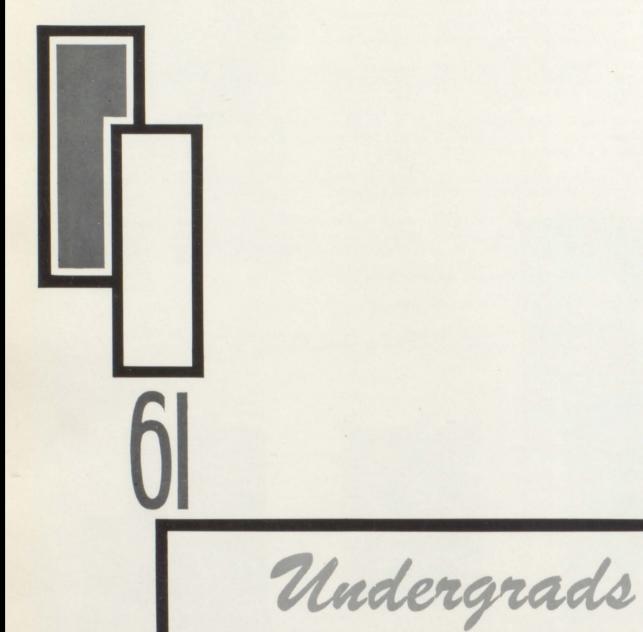

Senior Class Will

- I, Russella Hofmeister, will my ability to gain weight to Jane and my shyness to Larry Gurley.
- I, Lonetta Hess, will my catty remarks to Bobby Osborn and my ability to play basketball to the Towner boys.
 - I, Larry Herren, will my ability to stay out late to Sharon, and my conceitedness to Larry Tuttle.
