THE NEW, PLAINVIEW HIGH SCHOOL

ARCHITECT: MR. KENNETH STINES

The Annual Staff of 1963 wishes to dedicate this annual to a man who dedicated his life's work to developing better schools. Mr. Kenneth Stines, architect of our new school, constantly sought ways to improve school facilities, both in beauty and practicability. Mr. Stines serves us not only through our school, but through the way he lived his life.

To his memory we respectfully dedicate our annual.

FACULTY

Congratulations to the Annual Staff of 1963. I am sure that you will be proud when, in later years, you look back over your school days and point to the Annual of 1963 as one of your accomplishments .

I have been very pleased with the cooperation of the students and parents in this year of drastic change. I am sure that your pride of Plainview will grow as the years progress.

To the graduate of Plainview High School in the year 1963, I give my best wishes. You, the undergraduates, have taken another step upward. Do not stop until you have reached the peak.

My thanks to the faculty, personnel, and all of the patrons for helping to make this an outstanding year for our new school system.
