DEDICATION

We the Junior Class of "68" wish to dedicate our Annual to the people of this community for their help, support, and contributions in making the years at Plainview happy and successful.

The image features a high-contrast, black and white abstract design. The top portion consists of a series of thick, curved black stripes on a white background, arranged in a way that suggests a sense of depth and movement. Below this, the word "ADMINISTRATION" is printed in a bold, sans-serif, all-caps font. The bottom two-thirds of the image are dominated by a large, intricate pattern of thin, curved black and white stripes that radiate from a central point, creating a strong visual effect of a vortex or a tunnel. The overall composition is balanced and visually striking due to the use of geometric patterns and high contrast.

We the Annual Staff wish to extend our congratulations to the Seniors of "68" and wish them much success and happiness in the future.

CLASS WILL

I, Virginia Butler, will my ability to become embarrassed easily to Miss Hoover.

I, Rick Huddleston, will my conceit to Debia Taylor, my good looks to Susan Crum, my athletic ability to Melvin Neugebauer, and my books to Larry Weber.

I, Jo Keiter, will my ability to trust people to Terry Harris, my books and locker to Jan Keiter, and my ability to study and make good grades to Wayne Keiter.

I, Mike Lening, will my humor to the teachers of PHS, my southern drawl to Mr. Adamson, and all the fun I've had to the Freshmen Class.

I, Steve Scott, will my sports ability to the future Plainview athletics, my height to David Richardson, and all of the fun I've had at PHS to Greg Scott.

I, Lyle Specht, will my ability to be slow to Larry Weber.

I, Karen Teeter, will my ability in Home Ec. to Gloria Grayson.

I, Wade Miller, will my ability not to think up a Class Will to the Junior Class.

CLASS PROPHECY

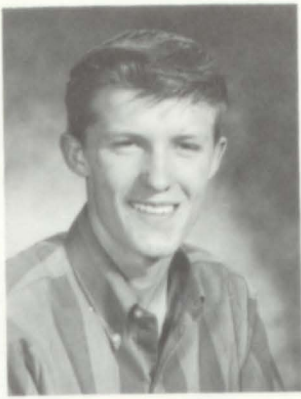

I hurriedly gulped down my time pill to check on the 1968 Grads.

As I strolled down Brandon Boulevard I met Virginia Butler. She told me that she is now the head hair dresser at the Clip and Curl Salon, specializing in English Sheep dogs. As I ventured further down the Boulevard I met Rick Huddleston, who is still single, but trying. He reported that he is the manager of the local Play Boy Club, doing quite well and enjoying himself to the fullest extent. At the City Park, I ran into Wade Miller. He is now a prominent figure in the Hippie World. He is world renowned for his famous paintings, mainly of knees. As I passed the local Studio I found Steve Scott, another Senior of '68, who is now TV's Super Jet Man. He is the hero of the younger set (ages 3 to 3 1/2), so be sure and have the youngsters tune in. Steve gave me directions to the biggest farm in the community where I found Karen Teeter. Karen is now married to the local County Agent. They have 15 children. Karen's husband hardly makes enough money to make ends meet so Karen helps out by performing as a go-go dancer at the Sheridan Lake Discoteque. At the City Hall I found Lyle Specht who works there as the jail keeper, during dull moments, or in his spare time he designs go-go costumes for Karen. Lyle gave me directions to the local political rally, I was surprised to find Mike Lening, whom I was told is very active in the community politics. He is the favored candidate for City Dog Catcher. Mike told me that Jo Keiter is now working as a data processor, but she had the terrible misfortune to trip and fall in the punch card machine and now she is full of holes.

I was happy to find that all the '68 Grads were now very prosperous. I could feel the time pill wearing off and shortly I found myself back in the present.
