# 1971 Football

The Eagles finished their 1971-'72 football season with their second consecutive winning season with a 6-3 record.

Their attack was lead by All-Conference players, Tommy LeGrand, Maynard Davis, Ronnie Brown, and on Honorable Mention were, Tom Richards, Rex Weirich, Steve Frazee, and Mike Miller.

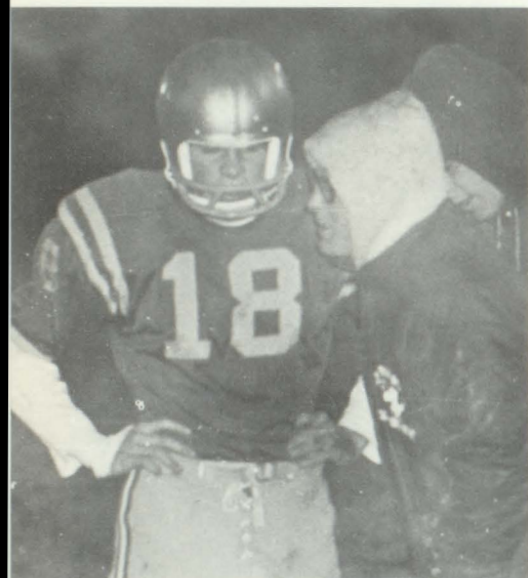

Coach Scales summed up the whole season by saying, "I am especially proud of the football team----they gave me a thrill I'll never forget when we beat Springfield and in the final game I asked for 40 Points and got 54. Whenever Fall comes----I'll always remember the Eagles of '71."

Eads' halfback, Maynard Davis, put the "icing on the cake" when he kicked a 52 yard three pointer and helped Eads to it's 22-6 win over Springfield.

Unoffically, it is the longest ever booted in Colorado prep sports and it was the first in regular competition for Maynard.

The story revolves around six ancient females who fall in love with the handsome detective who moves in across the street. If you have a sink plugged up, you call a plumber. If your radio doesn't work, you call a repairman. But what do you do to get the attention of a good-looking detective? Have a murder, of course, and if one isn't enough you have another, and perhaps even another!

The six interested maidens; Misses Hildegard, Birdie, Amantha, Lucy, Nettie, and Elizabeth match their old but still perceptive wits with younger Mr. Dennis O'Finn and his partner, Kramer. The ladies' plot is hampered, however, by that "young hussie", Jane Rogers, who is a reporter assigned to the case.

This year's Basketball team had a tremendous year. Our record was 23-2 and we were able to finish second in the State. In the final game we were defeated by 1 point and the game could have gone either way. It was very disappointing to us all, yet we were proud to have been at State and to have placed that highly. Our season was marked by great consistency this year, and the results were quite plain. This year, as in the past, we relied on quickness, control on offense and the breaks, and good defense. We were led as a team by Tery Larrew. Next year we return 8 out of our first 10 and should get some great help off the League Champion Junior Varsity Team. In the future for Eads, I see nothing but good things. Next year the style of ball may change some; but what we lack in heighth, we will make up for in speed and quickness. I, along with the rest of the school and fans, would like to thank Cal Covalt & Tery Larrew for their outstanding contributions to the basketball program at Eads High School.

The Junior Varsity ended the season with a record of 18 wins and 2 losses. The team was undefeated in league play, and the only two losses were to Walsh (the first game of the season) and Crowley County (which is a AA school). The ream had its ups and downs and had several close first halves, but they would rally back in the second half for a victory. The team mainly consisted of Freshmen with a few Sophmores and Juniors. With the record they had, it sould show that the Eads Varsity should be a winning team again next year.

Mr. Woods comments are; The wrestling squad this year had better balance than in previous years and was a team everyone could be proud to be a member of. The quality of wrestling in class A schools has developed greatly in the past few years and the Eagle squad has kept pace and I am proud to have been coaching this group of boys. After graduation and you are reminiscing, I hope this annual will bring back many proud and fond memories. Best of luck to all!

comments:

The 1971-72 wrestling season at Eads was full of ups and downs. The high point begun with the win over Crowley County. Next year will hold many surprises and I feel we will see some Eads wrestlers at the state tournament.

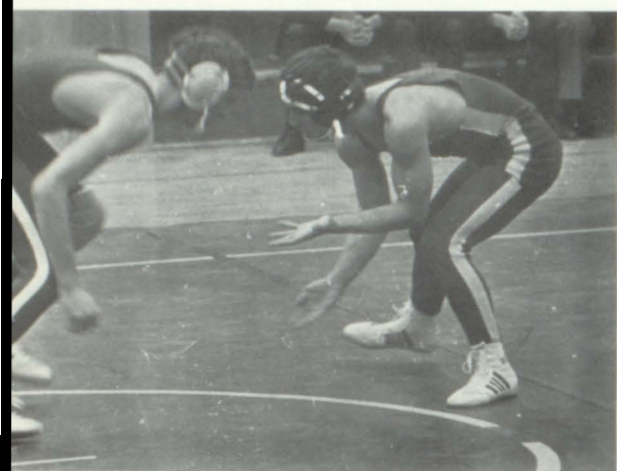

I was disapointed this year and I feel we received some bad breaks as a result of injures etc.....

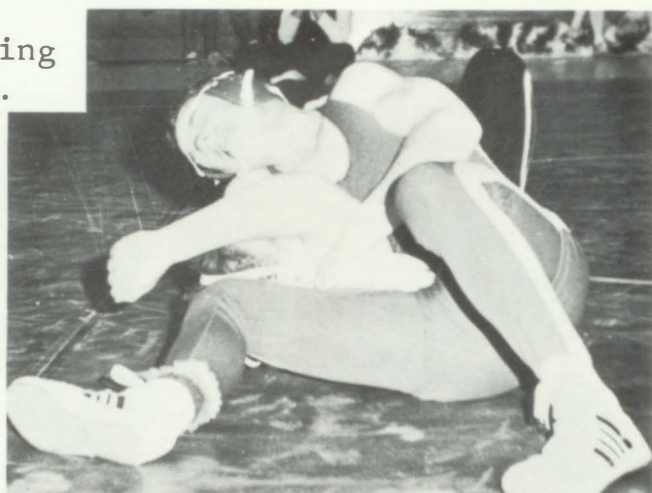

Why did I get  
the bottom?

Theres got to be  
somesway to solve  
this problem!!

I'm trying

should have got First!

### 1972 Track

The 1972 Track season has been the most rewarding season in my three years of coaching track. We won three trophies, 2nd at the Syracuse Relays, 1st at League, and third at district, during the season. Also, there were five school records that fell this year and one that was tied. The boys worked hard all season which resulted in fine individual performances as well as top team performances.

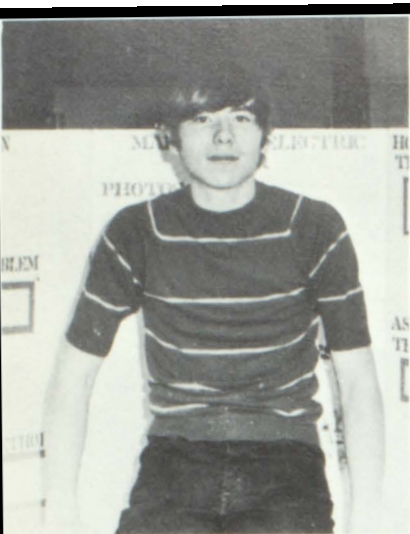

The results of this year's team has set high standards for next year's team to shoot for. Congratulations 1972 Track Team!!
