DEDICATION

*We, the
1973 Seniors
would like
to dedicate
this annual
in the
memory
of our
classmate
and friend,
Paul
Gregory
Bowen*

Life? It was just existing.

Living for my enjoyment

And fun and entertainment.

I never had a friend or

Got to know anyone.

Wanting to be famous

And the best in everything.

Now! Life is believing

In God and friends.

Trusting and understanding

People and problems.

Getting to know someone.

Really well!

And I realized this only after

My best friend had died.

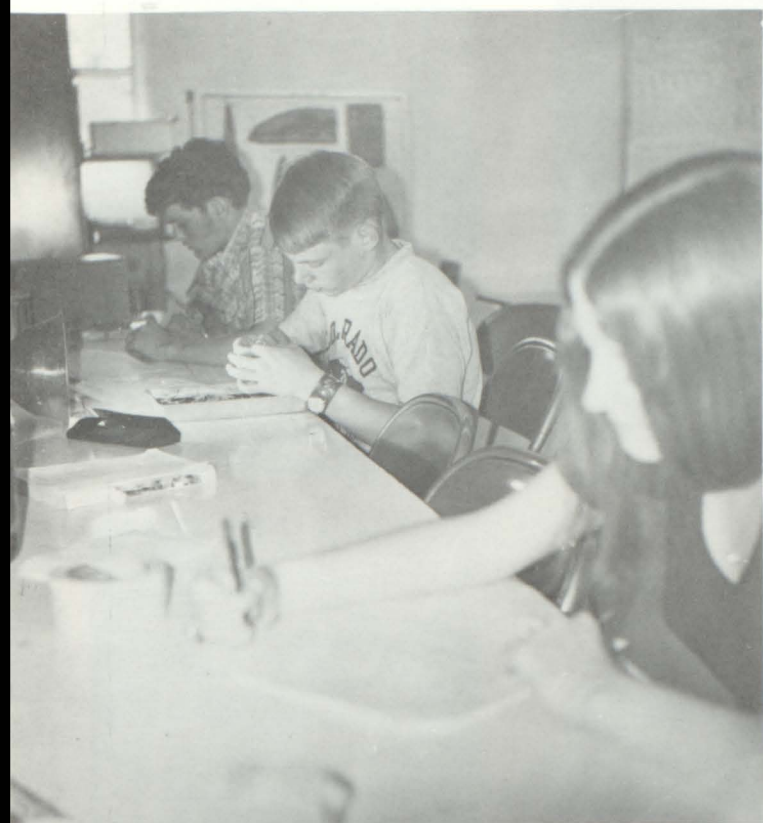

The image features a minimalist abstract design. A large, solid white circle is positioned on the left side, partially cut off by the edge of the frame. The background is a solid black. The text "SCHOOL LIFE" is printed in a serif font, centered horizontally within the white circle.

If I'm elected, I promise to put Rock Music in ALL

the punch line!?

The image features a minimalist abstract design. A large, solid black circle is positioned on the left side, its edge curving towards the center. The rest of the background is a plain, off-white color. The word "SENIORS" is printed in a black, serif, all-caps font in the upper right quadrant.

The main function for the student council is to provide learning experiences for students. Its principal contribution to learning is the development of good citizenship which is one of the cardinal objectives of schools, both public and non-public. For this reason, the student council is no longer considered to be extra-curricular or an adjunct to the curriculum, but an integral part of it.

The 1972/73 wrestling season was gratifying from a coaching standpoint. The varsity team consisted of a large number of seniors and it is always fulfilling to see young men progress and mature from grade 7 through grade 12. Placing 2nd and 3rd in the league tournament and district tournament respectively, proved the total effort of the whole wrestling squad. The success of two boys to emerge from the toughest district in the state and place 2nd and 3rd in the state tournament was also equally thrilling and gratifying. The lessons learned by all boys through participation will go a long way in successful living.

This year's Eads Wrestlers consistently showed dedication, enthusiasm, and desire. Although wrestling is an individual sport, team spirit and mutual support are important factors. The squad members should be commended for having just this kind of spirit. Four of our wrestlers competed at State; they deserve and have recieved the admiration of not only their team mates, but also of those who live in this area. They put out 100%. The desire to win was there. They were supported by their squad members, parents, and friends. This is what it takes to have a good wrestling team. We look forward to next year's season. GOOD LUCK.

The 1975 track team was hindered by poor weather and cancellations at meets, but still we had record performances. Five new school records were set this year. I felt this made the season a success.

The team, which consisted of 14 members won 2 trophies through the year. They won the league championship trophy for the third consecutive year, and received the third place district trophy for the third consecutive year.

I wish to congratulate the team for another fine year.

BASEBALL

Our record this year was 7 wins and 4 losses. I feel that we had the better team in the league, and that all of the players were good potential hitters. Our season wasn't the best, but yet it wasn't a total loss, we just received some bad breaks. We let down in some games, and weren't up to par in others.

I learned several things this year in coaching, and I think that the boys have learned something to. I believe that if we had the same players at a different time, we could have gone all the way. Next year should be better with some fine ball players coming up from the lower grades.

The image features a minimalist abstract design. A large, solid white circle is positioned in the upper half of the frame, set against a solid black background. The circle's edge is smooth and well-defined. The word "GRADUATES" is printed in a dark, serif, all-caps font, centered horizontally within the white circle. The overall composition is clean and modern, with a strong contrast between the white and black areas.
