These are the times that try men’s souls. —Thomas Paine
Every country has its own flag. Our flag did not always look the way it does today. In the early days the colonists lived in thirteen separate colonies, each with its own flag.

The first days of the Revolutionary War, the colonists carried their old flags into battle. They needed one flag to stand for all the colonies fighting together. The American flag was to have a star and a stripe for each of the thirteen colonies.

The Betsy Ross Flag with the stars arranged in a circle was based on the idea that no colony should take precedence. This flag evolved into our present day flag.

All other flags soon disappeared after the Stars and Stripes was adopted, yet the insignia shown on some of them appears occasionally on a state flag.
I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic, a sovereign nation of many sovereign states; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes. I therefore believe it is my duty to my country to love it, to support its constitution, to obey its laws, to respect its flag, and to defend it against all enemies.

—William Tyler Page
Be Americans. Let there be no sectionalism, no North, South, East or West: You are all dependent one on another and should be one in union. In one word, be a nation: be Americans, and be true to yourselves.

In Congress, July 4, 1776.

The unanimous Declaration of the thirteen united States of America.

When, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature’s God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed. That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and that to alter an established form of Government is one of the most difficult enterprises that a free people can undertake. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

We, therefore, the Representatives of the United States of America, in General Congress, assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of right ought to be, free and independent States, that they are absolved from all allegiance to the British Crown, and that all political connection between them and the State of Great Britain is, and ought to be, totally dissolved; and that as Free and Independent States, they have full power to levy War, conclude Peace, contract alliances, establish commerce, and to do all other Acts and Things which Independent States may of right do.

And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes, and our sacred Honor.
In education we are striving not to teach youth to make a living, but to teach youth to make a life, in the sense that a life is useful happiness and a well-spent leisure. —William Allen White
America ... Oh, beautiful
for spacious skies ... 

... for amber waves of grain ...
... for purple mountains
majesties,
above the fruited plain.
A smile is the door to friendship.
A smile is the key to success.
A smile is the beginning of love.
A smile is for you to share with the world.
The Senior Class of 1976 dedicate this annual to Marilyn Kaye Ebright, a friend and classmate.

They never quite leave us, our friends who have passed through the shadows of death to the sunlight above;
A thousand sweet memories are holding them fast.
To the places they blessed with their presence and love.
The work which they left and the books which they read
Speak mutely, though still with an eloquence rare,
And the songs that they sang, the words that they said,
Yet linger and sigh on the desolate air.

As the football season ends and winter sports start the coaches look back at the kind of season we had. The Junior Varsity ended up with a 1-5 win-loss record but Coach Wayne Trousdale said that "inspite of what seemed like a down season for the junior varsity they showed much improvement through out the season. This was evident by the improvement in the running of the plays and what developed into a fine defense." He also stated that "the same things plagued the J.V. team as the varsity; namely costly, key mistakes which would turn the game completely around. The team was young and very impressive. He said that "the team was made of a lot of Freshmen playing key positions." His final comment was that he enjoyed coaching this fine group of young men because of their fine attitude which will be exhibited in Eads' football in the future.
On Saturday, September 20th, at 3:15 a.m., the Eads High School Band left for Fort Collins. The band arrived at the Town "N" Country Motel around 7:30 a.m. We changed into our uniforms and proceeded to the parade.

After the band had marched, we went to McDonalds and then to Hughes Stadium for the game at 1:30 P.M. between Colorado State University & Utah. C.S.U. won with the score of 21 and 17.

That evening some of the kids stayed at the motel and had pizza delivered to the motel; others went out to eat pizza and went roller skating.

On Sunday the 21st, the band left the motel at about 10:00 a.m. to eat breakfast, leaving Fort Collins at about 11:30. At 5:00, the band arrived in Eads.

A very hard-fought defensive battle between the Freshmen and Senior TUSH (Tough Unbeatable Super Heroines) team and the Sophomore and Junior Goatropers ended with TUSH coming out on top 14-6. The Goatropers' coaches (Donnie Kelley, Denny and Mark Weirich, and Marty Barnett) decided to start the game with a sneaky play that went for a 20-yard gain but after that they couldn't get anything to go. TUSH came back with a steady drive down the field and scored on a 25-yard run on a reverse by Patty Glover. Nikki Igou swept around the left end for the two-point conversion. At the end of the half the score was 8-0.

The Heroines got on the board again at the end of the third period when Nikki received a Konda McKnight punt and ran for a 65-yd, touchdown—the two-point attempt failed. The Goatropers came back with a good drive, aided by Konda's 40-yard run which set up Natalie's 5-yard touchdown run. The rest of the game was some long runs by both team's called back by penalties, one of which was a touchdown by TUSH. The winning TUSH coaches were David and Paul Stavelly, Frank Miller and Mike Weirich.

Record 24-1
This year's season was a success mainly because the players and coaching staff worked together as a team and strove for improvement and consistency with every practice and game. This season the team went through league and the regular season undefeated, along with winning the Sub District, District, and placing third at the State Tournament; finishing the year with a 24 - 1 record.

We will truly miss six young men this next year due to graduation and they are as follows:
Brent Stoker - All State
Mike Weirich - All State
Kent Stoker
Frank Miller
David Stavely
David Ellicott
All of the above were excellent athletes and truly dedicated themselves to the game.

The outlook for next year however is promising. We have returning some good athletes: Donnie Kelley, Mark Forsyth, Donald Oswald, Mark Weirich, Ross Davis, Paul Stavely, Rob Frazee, Jack Barnes, and other who show a lot of promise.

In closing the coaching staff and players truly appreciate the following received this year.

Coach DeVaughn

Coach Crawford

Editor's Note: We would like to further note that Coaches DeVaughn and Crawford have a four year winning record of 85 games while losing only 12. They have been selected to Coach the South All-Star A-AA team in the annual North - South game this coming August.

The Eagle Staff wishes to offer our thanks to Mr. Crawford and Mr. DeVaughn for their devotion, success, and the honor they have brought to our school.
Season in Review

The Junior Varsity basketball season this year was another successful one in several ways. We started the season off slowly losing three of our four losses within the first two weeks. It took some time experimenting with personal to find the right combination and it was very satisfying to watch the guys mold into a team. We had fine individuals but at the beginning of the season we were unsure of what to expect from each other. I hope every one remembers the last game of the year when we lost to Arapahoe 51 to 28. The 17-4 record we had came through each week of practice and each game of desire and dedication.

Beautiful Donna
The girls did well this year with a record of 15 wins and 3 losses. They were 2nd in league. The basketball team won sub-district tournament. But then went on to the District tournament, and lost on the second night.

It was a great season all the way. And I enjoyed working with the girls and watching them improve over the season.

COACH'S COMMENTS

"My Junior High team did a fantastic job this year. I really enjoyed working with them all. These boys will have a good future ahead of them if they stick to wrestling. They have done really good for being as young as they are. I wish each and everyone of them luck in their upcoming years at E. H. S."

BASEBALL REVIEW FOR 1976

The 1976 Baseball season record as of now stand at 11 wins and 6 losses. We have played a fuller schedule than in past years with sixteen regular season games. The completion has been tough as five of the six losses came against two double A powers, Burlington and Crowley County.

I feel our strong points have been our pitching and defense. We have made some changes during the season which has tightened up our defense as well as helped our offense. I also feel that our two main pitchers are as good as any I have seen this year.

Our weakness has been our hitting. It's hard to believe that we could win 11 games with a team batting average of 205. The last two games in which we have collected 26 hits shows much improvement.

We face Granada in the state semifinals Friday who we beat in a double header early in the season 7-2 and 1-0. If our hitting comes on like it has the last two games we will be in good shape, not only for Granada, but the state championship.

We have only two seniors on the team this year which makes it look bright for next year. Although Dallas hasn't played much, he has added a lot of spirit to the season. Frank, picked as most valuable baseball player of the year for Eads, has been a good leader this year. He has done excellent on the mound as well as being our leading hitter at .382.

I wish to congratulate the team on the winning season and wish them the best in the final state playoffs.

Coach Crawford
