# DEDICATION

In 1966, a well experienced teacher came to this barron area to teach the first kindergarten class in Eads. We all grew to love this lady who healed all our bruises and cuts, and still taught us all our little heads could handle. As this class grew this lady still kept track of us and cared for us. As we were preparing to leave on our Senior Sneak trip to Texas, and found we were short of money, this great lady donated money to our class to help us out.

Mrs. Anderson retired from teaching in 1976, and is now living in Holly Colorado. The class of 1979 wishes to dedicate this annual to you, Mrs. Anderson and Thank You for everything you've meant to us.

# WELCOME BACK EHS

Pick me!!!!

WOW, who was that??

Donna & Tim

On August 28, 1978 EHS was welcomed back to school. Grades K-6 reported to their classrooms; the Junior High and High School went to the gym. The cheerleaders started everything off with cheers, boosting the school spirit. STUCO President, Stan Diel gave a speech on coming events and things that needed to be done to improve the school. Miss Less also boosted up the school spirit. Mr. Stinson gave a speech on how our attitude and behavior could help the improvement of our school and community. Then was the introduction of the new teachers, and the recognition of the returning ones. Everyone reported to their first hour class after the Pom Pon girls did the school song.

The Junior High volleyball team had a break-even season posting a 2-2 record. After losing their opening game to Cheyenne Wells, they put together a two game winning streak beating Kit Carson and Granada before dropping their final game to Kit Carson in a rematch.

It took three games for Cheyenne Wells to beat the Eagles in the season opener. Eads easily disposed of the Kit Carson Wildcats before moving on to their next victim, Granada. The girls played their best volleyball and beat the weaker Bobcats in straight sets.

With a 2-1 record, the season ended on a disappointing note when a much improved Kit Carson team got revenge, handing the Eagles their second loss.

The Junior High had several players potential to become excellent volleyball players.

The 1978 girls volleyball team ended this season with a record of 10 wins and 7 losses. I felt the caliber of volleyball is fast improving, especially in our league. In previous years most teams bumped the ball over the net until one team made a mistake. This season more teams set the ball and spiked more consistently. I enjoyed the volleyball season and I hope the girls did also. Congratulations, team, on a winning season.

The Eagles JV. Volleyball team posted a 3-4 record. After losing to Arapahoe, the Eagles ran up a 3 game winning streak before losing to their final 3 opponents. To improve, it takes a lot of dedication and hard work. There were several girls on the team who were willing to give what it takes to be a winner. These are the girls you'll probably see playing Varsity Volleyball in the coming years.

The Eagles Freshmen Volleyball Team had a successful season. Losing only to Wiley and Cheyenne Wells, the team played aggressive volleyball to beat Hugo and also beat Wiley in the rematch.

## COMMENTS...

Our season went by pretty fast, and I believe the boy's learned some of the basics that will be needed for the coming season's. I would like to thank Milton Watts and Lonnie Eder for their large contribution to the whole program. With their help and that of Bob Beatrice's I also had a good learning experience.

I truthfully feel the boy's were looking ahead to basketball, and we had a motivation problem during the games. I just hope they use their talents in each sport, and extend equal amounts of energy in each sport ahead to give us a well-rounded program in athletics.

I enjoyed this football season's experiences and hope for a more productive year next time around.

The football season this year was somewhat of a disappointment, and yet had its highlights. We started off looking tough against Crowley County despite a 14-7 loss. We came back with two good wins over Lamar and Cheyenne Wells. Then the start of league play with Walsh and right on down until Granada we played poor football. We beat ourselves again and again with our mistakes and mental breakdowns. Finally against Holly we played consistent, and a lot of spirit.

The defense was tough and aggressive all season long. The pass defense was a total improvement from last year. The offense also improved from last year. Our offense was inconsistent yet we never gave up trying to get better.

I felt the players learned a lot of football this year. I'm looking forward to next season when I know we'll have a winning season.

The 1978 Powder Puff game took place on Friday, November 4th at 2:00 p.m. It was the Seniors and Freshmen girls (Beaty's Beauties), against the Junior and Sophomore girls (Miller Lites). All week long the girls practiced hard to get prepared for the big game.

On Monday each team met in separate rooms to decide on their names, captains, color of football jerseys and cheerleaders. Nothing else went on during the school week except Powder Puff practice.

At half-time the King candidates came out on the field in cars and were helped down by their escorts. Candidates and escorts were Lonnie Eder and Rhonda Davis, Milton Watts and Christie Kelley, Jack Barnes and Suzette Barnett, Steve Uhland and Connie Watts, Doug Uhland and Marlynn Eder, Terry Brown and Sebrina Brandfas. Jack Barnes was crowned the 1978-79 Powder Puff King.

In the first, second, and third quarter there was not any scoring for either team, but in the fourth is when the game broke loose.

Kendra Nelson scored in the fourth quarter with the help of her teammates. Darla Richardson intercepted a pass which gave the ball back to Beaty's Beauties and abled them to finish out the game. The final score was 6-0.

This year's season for the Girl's Junior Varsity had to be termed as a successful year with a 6-0 record.

This years season was filled with ups and downs and frustration! However every season has its highlights with this years highlight being back in December when the team defeated Stratton 68-54. This years we were unable to put an entire game together, playing good ball for two or three quarters but never for the entire game. This has to be do to a lack of discipline and mental intensity needed to succeed! This years record was 15-5 which cannot be considered successful considering the personnel on this years team!

The seniors for the 78-79 season were Lonnie Eder, Barry Holthus, Jeff Salisbury, Paul Stavely, Milt Watts, and Tim Williams; the best of luck to you in your future endeavors.

## COMMENTS...

By Coach Crawford

The 1978-79 boys Junior Varsity basketball team finished with a winning season. With the exception of two games, the team showed a lot of hustle and desire. Although they scored 60 points in one game good defense was the teams strength. The boys had a great attitude and were a pleasure to coach. I wish them all success in their future years in basketball.

The girls won second place trophies at Holly, Tribune, and District, and also won the League Championship trophy. School Records broken is a good indication at the success of the season and this year there were three broken. Each year the times are better and it gets tougher to break records so I feel that breakin three records was a good accomplishment.

The 1979 Track season showed an increase in interest for we had a good number of 15 tracksters out this year. Over all, the team showed improvement each track meet by lowering their times and distances in each event. The 1979 baseball season was hot and cold, in both weather and performance. The highlight of the season was beating the eventual league champions, Manzanola 4-2. We also played well against Swink, beating them 11-0, and Plainview 10-2.

Along with these three wins, we lost to McClave, Granada, and Wiley to finish with a 3 and 3 league record.
