

GOOD TIMES

Jacob Diel

The following Seniors of EHS dedicate the 1980 annual to Mr. Jacob Diel. Mr. Diel has sponsored the Photo Annual Class for eight years. He has more patience than we deserve when pages

aren't done or someone has lost a negative. We really appreciate all the things he does for the class so that EHS can have an annual. Mr. Diel we thank you so very much for your patience, dedication and understanding to the Photo Annual Staff.

Thanks Mr. Diel!!

JUNIOR HIGH GIRLS VOLLEYBALL

The Junior High Girls Volleyball Team worked hard this year to obtain their winning record. An outstanding overall effort from everyone helped the team to improve steadily throughout the season.

Comments

The varsity volleyball team had an excellent year finishing with an overall record of 13-6. The team placed second and third in the Vilas and Swink tournaments, losing only twice to state runnerup Pritchett. In league play the varsity came in third behind the powerful Plainview and Cheyenne Wells teams. With the experience gained during this season, next years team should prove equally as strong.

1979 Football Comments

Our 1979 football team won only one game and lost seven games. Considering the fact that we had only four returning lettermen from last year's squad, this was a rebuilding year for our inexperienced team. Another important factor was the tough schedule our team had to play. Four teams out of eight scheduled were ranked in the top ten of the State. Those four teams ended the season in the following order: Limon (1979 State Champions), Calhan (4th in State), Stratton (8th in State) and Clayton, New Mexico (3rd in State).

I was proud of our team's effort and I look for a good season next year.

Powder Puff

Friday November 2nd, the Pep Club Powder Puff game was played. It was the Bad Girls coached by Robin Gaffney against the Giffords Grinders coached by Larry Gifford and Al Cozzetto. The game started off with the Gifford's Grinders receiving the ball, Marlynn Eder getting the ball, she fumbled and Betsy Legg picked it up and ran for a Bad Girls touchdown. The bad Girls were then on their 10 yard line and Betsy Legg threw a lateral pass and Julie Oswald for the Grinders picked it up and ran for the Grinders first score of the day. Diane Brown received a pass for the Bad Girls and scored another touchdown. Lorrie Lynn Watts completed two extra points, and made the score 14 - 6, Bad Girls favor at half time. After half time festivities, the teams had a slow third quarter with neither team scoring. The fourth quarter brought about a touchdown for the Grinders, it was made by a pass play with Lori McKnight running for the score. Marlynn Eder made a two point conversion for the Grinders making the score 14 - 14. The Bad Girls had possession of the ball and failed to score, and the game ended with a 14 - 14 tie.

Junior High

The Jr. High Girls Basketball Team had a tremendous year. They finished first in the League Tournament, beating Plainview, a team which they had lost to twice during the regular season. The team displayed a great amount of determination which lead to their 15-2 season.

Team Comments

The boys worked great together this year. Their six and two record for the season proved they were a team. I was very proud of them. They improved a great deal in the basketball skills area and enjoyed themselves a great deal of the time.

We had a very successful basketball season this year, ending the season was 17-1, winning the Sub-District, District, and winning 1 of the 3 games played in State. The 2 losses were close and if the breaks would have gone in our favor, both losses could have been wins by 1 point.

The highlights of the season was team play and defense. Our overall scoring average was 55.7 points per game, holding our opponents to a 41 point average.

This year's team played very well together and we received good play from our bench. We had a very good showing from Betsy Legg and Lorrie Lynn Watts from the outside, Lori Kelley and Delisa Eikenberg from the middle, and rebounding and scoring from Cathy Weirich and Charla Crow. Cheree Philpy was a consistent scorer when the opportunity called.

The future looks promising even though we will lose Betsy Legg, leading scorer and All Stater, and Lorrie Lynn Watts, a consistent shooter and defensive player. We have coming back good experience in Lori Kelley, Cathy Weirich, Charla Crow, Julie Oswald, Delisa Eikenberg (All Stater), and good bench strength in Angie Pearcey, Delene Eikenberg, Darla Richardson and Sebrina Brandfas. The Freshmen showed good promise and the incoming group looks good.

On behalf of myself and the team, we want to thank each and every fan for your following and support this season. With the encouragement from parents and the efforts of the team, I feel our season will be long remembered and an inspiration for the coming 1980-81 season.

This year's season started as though it would be a total disaster with an embarrassing 0-5 record before the holiday break. We were basically a very young team this year and it was going to take time for the team to jell for we returned only one letterman from the previous year.

After the holiday break we caught some fire and started to execute on given nights. This proved to be the problem we faced throughout the year that of concentration and execution as can be seen by an 9-11 record. They did, however, continue to work hard in practice every day and did show improvement and we feel that the men finally realized that the game of basketball can not be played just from November to March but they have to work on their skills throughout the year.

Next year shows the promise of being a good year with several lettermen returning as well as some good potential coming up the ranks!

JV BASKETBALL

Although the Boys' Junior Varsity Basketball Team lost several games, I feel the season was successful in terms of learning and experience gained by several young men with a great deal of potential. The boys improved with each game showing more confidence as the season progressed. Although there is alot of raw talent in the freshmen and sophomore classes, it will take dedication, discipline, and alot of hard work to develop it into a state contender. I hope these young men will accept the challenge to receive the rewards in future years.

Coach's Comments

I was very proud of the Jr. High Wrestlers this year. I worked them very hard and they all responded with a great deal of improvement. The boys participated in two tournaments, three tri-meets and one dual. Each time they participated they improved a great deal and learned from the experience.

COACH'S COMMENTS

The wrestling squad this year was small in number but a giant in determination, dedication, effort and performance. All the boys worked very hard throughout the season and did Eads High School and themselves "proud." The State Wrestling Tournament was the highlight of the season as four of the five qualifiers placed individually and the team placed seventh in a field of forty-nine schools represented. The season, in total, was very successful and each and every member of the squad can be very proud of their accomplishments this year and I, for one, am proud to have been associated with these young men.

jr. high track

This short track season proved to be enjoyable and depressing. The depressing part of the season was taking a skeleton boys team to Lamar. The enjoyment was taking 2nd place at the league meet in Burlington. Most of the boys showed they cared for track and put out a good effort.

Top row, (L to R) Cindy Dawson, Terry Herrell, Betsy Legg, Cheree Philpy, Miss Gaffney. 2nd row, (L to R) Marlene Nelson, Sebrina Brandfas, Diane Brown, Cheryl Knoblock, Cindy Berry, 3rd row, (L to R) Ronda Igou, Marlynn Eder, Marie Nelson.

At times during the track season I felt that we should have had a swimming team rather than a track team, but when the weather cleared I began to get a view of some of the quality athletes I had out. Many individuals made impressive showings at League, but District competition proved incredibly tough. Even though no one qualified for state I believe this years experience will create a foundation in which to work from next year.

The 1980 edition of Eads High School Baseball ended with a winning record of 9 wins and 4 losses. The team defense played exceptionally well holding every opponent but one under 7 runs including one shut-out. The highlight of the season was the 13 inning final game of the season. Even though we lost, the team made several superb defensive plays and never lost confidence that they could win it. Congratulations team on a good season.
