# YEARBOOK DEDICATION

We, the Class of '82, dedicate this yearbook to

DORA LU GULLEY

Who, during the past four years has been:

Our companion,  
our mom,  
our helper,  
our guardian angel,  
our guide,  
our adviser,  
our counselor,  
our confessor,  
and most of all,  
OUR FRIEND!!!

Please accept this dedication, for your hours of dedication. With your help, our highschool years will be remembered with a SMILE. THANK YOU, Dora Lu, for everything you have done for our class...

# COACH COMMENT

## Football

The 1981 football season started by losing to the eventual state champions, which showed us we definitely had work to do. Although we did improve, the league was tough and well balanced with Granada, the state runner-up and Wiley getting to the semi-finals, in our league. We tied with three other teams which showed the balance of the league. Injuries played a roll in the season as we had players out with injuries in every game. Regardless of the season record, I hope each member of the team received some kind of satisfaction from having participated.

This football season was an enjoyable one for me as well as a success for the team. The boys played very well and they finished the season with a six and four record.

## Coach's Comments

Looking back on this year, I could say I saw much improvement. Our season didn't began very well but as the season went on our team steadily showed more skill and confidence. We placed second in the Cheyenne Wells Tournament and third in the Eads Tournament, losing several games by only one point which taught us about preasure situations and gave us experience for high school

We are losing four Eighth Graders but the future looks bright. Terri Wall, Davina Bright, Lora Kirby, and Polly Howe will be returning for the girls. We will have five Sixth Grade boys who show determination and dedication. All of them played on our B team and will be needed for the varsity team next year.

Our Eighth Graders, Shannon Lessenden, Cindy Engelhardt, Diana Mitchell and Dawna Mitchell will be missed at Haswell but we hope to see them all play high school ball next year.

I would like to thank Donna Williams for all her help this year and Delores Eikenberg for being our sports editor.

The football cheerleaders practiced during the summer at Eads and Haswell sites. In August they attended a day camp in Denver sponsored by the world Cheerleading Council. In December Bill and Lorretta Seibel took some of the cheerleaders to a day clinic sponsored by the Denver Nuggets. It was a thrill for them to get to cheer for a professional game against the Kansas City Kings. The Highlight of the fall activities was organizing the lively homecoming rally which was fantastic.

#### COACHES COMMENTS

"I feel this years volleyball team proved to themselves just how important a good "mental attitude" is when competing. Until the girls and I finally proved this to ourselves did we improve our team record and league standings.

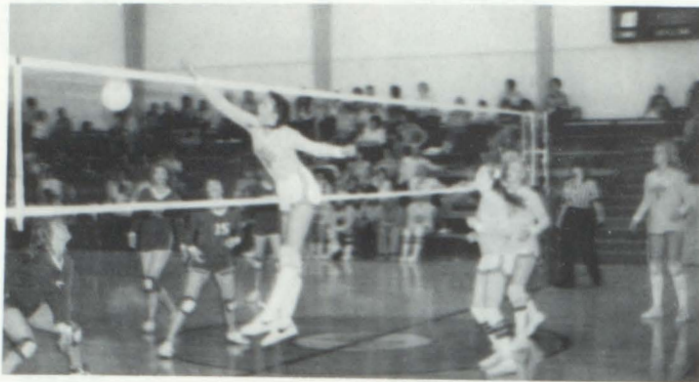

All of the girls had to work hard to earn and keep a spot on the starting varsity line-up. But each and every girl rightfully earned herself a slot. Our starting line-up changed hands throughout the season which hurt us in the area of experience, but greatly helped our "team enthusiasm."

We are very sorry to see 5 of our senior teammates leaving us. They were a special benefit to the team, with the captain and co-captain, Julie Oswald and Delisa Eikenberg, very strong leaders for us.

## JR. HIGH GIRLS' VOLLEYBALL

This year the team was very young, so we concentrated on the fundamentals of volleyball. The season was too short for the girls to learn all of the fundamentals and then apply them. When we finally were able to apply most of them we were on our last week of volleyball. Next year the girls will not have to start with the very basics, so they should be very much ready to play competitive volleyball. Over all, we used this year as a learning experience.

## HOMECOMING FLOATS

Homecoming is the time of year that takes everyone's spunk and spirit. Many things are done to make homecoming memorable, and one thing is... Float Making!!! Much hard work is put into making a float, as you can see. As usual, the wind picked at the floats, and they slowly met their dums by the end of the day. The placing's of the floats are as follows: 1-Sophomores, which had a napkin-stuffed float; 2-Seniors, which used Newspapers and they used much imagination with them; 3-Juniors, they made a large box which was to wash up the opponents; and 4-Freshman, they are new at this sort of a thing, but as the years go by, they will learn how to short-cut their way around things! At the pep-rally, the Seniors found,

that they had the best lungs, with the Soph's at second; the Juniors at third; and Freshman fourth. Hall decorations were very, very authentic this year. 1st place was the Jr.s 2nd was the Seniors, & 3rd was the Sophomore Class, and 4th was the Freshman.

# ACADEMIC MOMENTS

Eads High hosted the first annual Eads Fall Scholastic Bowl. Mrs. Wall and Miss Lessenden initiated and organized the contest. This event was an academic competition for teams of four members. Eight schools entered.

Eads won the championship round by beating Wiley in the last few seconds. The team members from Eads were: (L-R) Diane Brown, Ken Kelley, Derek Gulley -Capt, and Steve Shotton.

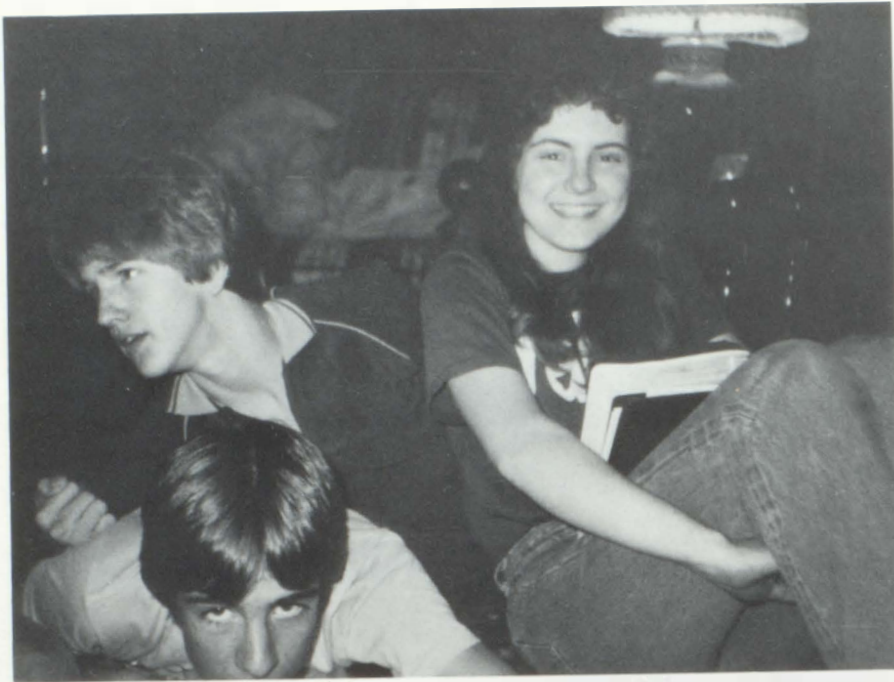

Derek Gulley, Capt, Gina Jones, and Steve Shotton

On November 19 nine students attended the annual Math Day at the Univ. of Southern Colorado in Pueblo. Two teams from Eads participated in the Math Bowl, a 32-team tourney. The senior team, composed of Derek Gulley, Captain, Gina Jones, and Steve Shotton, won their first two games, then lost in the Quarter-finals in a close game. The Junior team composed of Diane Brown, Captain, Jean Seibel and Viola Wissel, lost their first two games but gained valuable experience for next year's bowl. In addition to the Bowl competition, the students on the Bowl teams along with Ken Kelley, Kassie Diel and Vicki Cook took a written math test called the Swanson Test. Although none of them was among the top ten students on the test, several Eads students scored well on it.

## COACH'S COMMENT

The boys J.V. finished a successful winning season with a 7-6 record against some pretty stiff competition. Because of the lack of time together as a team, yet when came time to play, we functioned as a well organized unit and displayed both character and teamwork. These fine young men were very courageous and demonstrated clearly that they are a very promising group for next years varsity.

The boys basketball season ended with a winning record of 15 wins and 4 losses. This record was a result of hard work, desire, confidence, and talent. With the exception of two games, the team showed a lot of intensity which I feel is a major factor in winning. I thank the seniors for their contributions to the basketball program over the past four years, especially this year. Valuable experience was gained by the underclassmen during the 1981-82 season and I hope they will realize the rewards in future years. I wish to express my appreciation to all who had a role in the basketball program this year, each in their own way.

## COMMENTS

## COACHES

This years J.V. girls were very impressive in posting an undefeated 11-0 season. Despite only having seven girls, we showed the type of character in each other and this team spirit showed when it came down to the tight games. I was very fortunate to have the opportunity to work with these girls. I would also like to thank Marsha Koch for patiently keeping the scorebook for me all season.

## GIRLS VARSITY BASKETBALL

Our goal at the beginning of the basketball season was to win the State Championship. Although we fell short of that goal we had an outstanding season winning 19 and only losing 1. The girls worked hard and were willing to assume whatever roles needed to win. I believe that teamwork and good defense were the keys to our season. I would like to express my appreciation to the team for their cooperation and especially the four seniors, Charla Crow, Delisa Eikenberg, Darla Richardson, and Dawna Howard for their leadership. I hope that, along with the best record yet for Eads girls basketball, the third place trophy at state will give the girls something special to remember in years to come.

I'm proud of all the boys. Their skills and basic knowledge of the game greatly improved as the season went along. Prior to the Kit Carson tournament (the last set of games in the season) the boys had a 7 and 3 record. In my books that is a very successful season.

## Scores of Games

This year the Girl's team was very strong. They had their ups and downs all year long and ended the season with a 5-8 record total. If the girls keep up their great size, speed, and shooting ability, next year could be a rewarding season.

At the beginning of this season, the team was virtually inexperienced, as the only returning letterman was senior, Brad Owens. However, the members of this team did display continued improvement and it was pleasing to watch each individual grow, develop, and improve the skills needed to compete in today's tough competition.

Congratulations to Brad Owens and Tony Vitacco, the two seniors that placed in the state tournament, and good luck in all your future endeavors.

## COMMENTS

The '82 wrestling season was a successful one. The boys improved their attitudes and skills. The success of the program really shows when you ask the boys how well they wrestled. Most of them will give you a big smile and say "GREAT". I think alot of the improvement was due to the help I received from Mr. Woods.

This years track season had a great climax at Denver. Sending six girls and one boy was a great pleasure for me as a coach. Having all six girls bring home medals was very satisfying.

I would like to thank all track members for a great track season.

## BASEBALL COACHES COMMENTS

With only two seniors to anchor this years baseball team, lack of experience was the major factor in most of the games we lost. Five of the nine starters were freshmen and sophmores and although they gained confidence and improved each week it was not enough to win consistently this season. Our two seniors, Steve Shotton and Derek Gulley, gave us the stability and will be missed next year. Steve pitched, played first base and out field, while Derek anchored the out field, playing center field and due to team injuries played shortstop during a few games. Although the season record was not great, I feel that with the experience the underclassmen received, the season was successful.

# JR - SR PROM

With a lot of hard work and many hours spent decorating, Prom turned out to be a great success. The theme was "Tonight is the Night We'll Make History!" The D.J. played good music and the colors, maroon and silver, looked great. Darla and Terry were crowned at 10:15. All in all, everyone seemed to enjoy themselves.

# DALLAS

OUR GREAT JANITOR

Don't worry Derek it won't fall on you!

Wed., Apr. 7 the Eads High Seniors boarded the bus and headed to Dallas, Tex., for our senior trip. After hours of driving we stopped in Boise City, Okla. to eat. After eating we rolled on down the road, occasionally stopping for fuel and rest stops. We arrived at our motel, Dunfey's, at 10 a.m. Thurs., Dallas time.

We had two hours to unpack and board the bus at 12 noon for our first tour at General Motors Assembly Plant at 1 p.m. in Arlington. After an interesting tour we went on to Fort Worth to visit several museums. We then went to Irving to eat Godfathers Pizza and porked out, then on to Irving Mall for a movie. We returned to Dunfey's about 11 p.m. and had room check at 12 p.m. by our beloved sponsors.

Fri., Apr. 9, we were on the bus at 9 a.m. to go to the World Trade Center. Upon arriving there, we were able to go into the building but, due to a mix up there, although we

were scheduled for a tour, there were no guides available, so we went to Irving Mall for a couple of hours shopping and then went to Texas Stadium for a tour.

Then on to Grand Prairie to the Wax Museum which was very interesting. We returned to our motel at 5 p.m. and had one hour to dress up and be on the bus to go to Trader Vic's Restaurant for a very taste meal. We returned to our motel approximately 10:30 and had room check by our sponsors by 12 p.m.

Sat., Apr. 10, rain was falling when we got up but we boarded the bus to go to Six Flags. As the rain continued we went to Six Flags Mall for about an hours shopping while our sponsors rescheduled our day. From there we went to one of our favorite eating places "McDonalds" where we had dinner.

After we ate we went to downtown Dallas to tour Old City Park and then on to where J.F. Kennedy was assassinated. The J.F. Kennedy Museum is closed so we could only see the building from the street that he traveled. We then walked to Reunion Tower

and went up to the observation area where you could see many miles of Dallas. It was quite an impressive sight.

We then went to the Spaghetti Warehouse for an enjoyable evening meal. Then back to Grand Prairie where we spent the rest of the evening roller skating. We returned to our motel around 12 p.m. and room check at 1 p.m.

Sun., Apr. 11, for those who wanted to attend church, went to the First Methodist Church in Dallas which had a beautiful Easter service. Upon our returning to the motel we boarded the bus to go to Six Flags where we spent the day. As the park closed at 8 we then went to Mariano's Mexican Food Restaurant for a very good meal. We returned to the motel around 11 p.m. and room check at 12:30.

Mon., Apr. 12, the sponsors bought groceries for a picnic lunch and we were on the bus at 9 ready for a day at the lake of swimming and boating. Enroute to the lake we stopped off to visit South Fork Ranch where the television show Dallas is filmed. Upon arriving at the lake it was windy and rather cool, however we were determined to enjoy the day and sunbathed and ate lunch while a few tried skiing and boating. However, the wind got the best of us and we returned to our motel to change and get something to eat.

After eating we were going roller skating but upon arriving at the rink it was closed so returned to our motel to pack our suitcases so we could head home the next morning.

Tues., Apr. 13, we had our suitcases out to the bus to be loaded by 7 a.m. and ready to start our trip home at 7:45. At this time we were told by our bus driver that we had traveled 402 miles in Dallas and surrounding areas during our stay. We arrived home at 11 p.m. 20 tired but happy kids and five exhausted sponsors.

We want to thank the sponsors and bus drivers for making this trip possible. And a special thanks to Mrs. Gulley and Mr. Woods for a well planned and interesting trip which we will never forget.
