FCA'ers took lots of fun and exciting trips to the Air Force Academy to see football games and the Denver Nuggets, to Pueblo, as well as to Kit Carson and Wiley. picnics and a hayride were good times as well as Bible studies, and volleyball and basketball challenges.

Scott B., Shane L., and Mark S., share at a Youth Rally Huddle. Kit Carson and Wiley met with Eads FCA'ers several times during the year.

FOOTBALL COMMENTS

I was very proud of the 1984 football team. I feel the success of the team was a result of one major factor: attitude. Dedication, desire, confidence, determination, and teamwork are all components of good attitude, and if any one individual is weak in any of these areas, it will have a negative effect on team performance. More individuals on this year's team had the proper attitudes: this newly acquired sense of spirit resulted in the best record in E.H.S. football history, 10 and 1, and the state runner-up trophy. The seniors were largely responsible for the accomplishments of the new season, and their skills will be missed, but hopefully the all-important attitude they instilled in the team will remain and E.H.S. will continue to be a force in football.

I would like to express my appreciation to the many others who contributed to the season, especially Coach Gifford who was always ready to give of himself.

COACH'S COMMENTS

This year's squad, although the record might not reflect it, was very successful. Success is not always measured in the win/loss column. In terms of progress the team was very successful. The team lacked experience and a winning edge which can be obtained only through intense competition. With two Juniors representing the upper classes and only one of them with any varsity experience, the team was easily the baby of the league. If the players learned one half of what the coach learned this season then we should be a force to be reckoned with in the up coming seasons.

Second Row: Traci Barlow, Mgr.; Erik Melgoza, Curtis Parker, Mark Reinert, Mike Crawford, JoAnna Holmes, Mgr.;
Front Row: Billy Woelk, Brian Dunlap, Mike Kelley.

COACH'S COMMENTS

The 1984-85 basketball team recorded a winning 13 and 7 season. I feel the schedule was as tough as we have ever played. Realistically I think we beat several good teams and lost one that we probably should have won. Some of the members of the team are going to reflect back on the season with some regret while others will remember satisfying experiences. Regardless of whatever way they view the season I feel that the experiences can be of benefit to each individual if put into proper perspective.

COACHES COMMENTS

Lack of size and experience were obstacles which the 1984-85 basketball team faced. I feel the girls handled these limiting factors pretty well. They attempted to make up for lack of size by hustling and they compensated for their inexperience by taking chances. Although a 6 and 12 record is not considered a good season, when you consider the lack of size and experience and the point margin in the losses, I feel it is pretty respectable. With the experience gained from the season and hard work in the off-season, I expect good things from this group of ladies in the future.

COACHES COMMENTS

There never seem to be enough days in the spring to fit in all the activities, but we managed to play 10 baseball games winning 7 and losing 3. The team ended the season with the second highest batting average in 10 years for which they should be commended. I enjoyed the 1985 season and it appeared the players did also; with that and our record I consider the season to have been successful.

TRACK COMMENTS

The 1985 track teams were definite competitors. Both the girl's and boy's teams wanted to excell and be winners and proved this fact at all the track meets, especially league, where the girls placed second and the boys completely dominated the other schools. Every individual can be proud as each one made a contribution toward the desired goal.

I am extremely proud to have coached these teams and would like to congratulate each member for a job well done. Best of luck to the seniors and we will miss you next year.

A black and white photograph of a brick wall. The bricks are arranged in a standard running bond pattern. The wall has a textured, slightly weathered appearance. Overlaid on the lower half of the image is the text "eighty five" in a large, black, cursive script font. The text is positioned diagonally, starting from the lower left and moving towards the upper right.

eighty five
