PHS

PLAINVIEW HAWKS

The school year started out with a bang! Commotion was in the halls once again. The back to school pep rally set the wheels in motion for another great year. The PHS marching band was a big success at the Holly Parade, bringing home a first place in their division. Nineteen eighty-six was a great year for football at PHS. The boys were division two champions, reigning over the surrounding areas. (Maybe the success was aided by the day of practice in the mud.) Homecoming brought out the old crowd of alumni. The weather turned out cold, but the excellent game played by the Hawks was worth bearing the weather. The festivities continued into the night with the crowning of the king, Mark Budde, and queen, Kim Tuttle, at halftime of the Homecoming game. The Seniors had a very good carnival. The excitement of the night came when Bessie bingoed on Cliff's square.

The volleyball team poured out determination and a "give it your all" spirit. These young women had a discouraging season, but their attitudes were very good. Basketball was a challenge for both the girls and boys. Each team lost half their starters from the previous year. Having to rebuild was hard for the Hawks, but they managed to end the season with a respectable record and some enjoyment on the court. The PHS cheerleaders put on a great performance at the State Cheerleading Competition. The cheerleaders' many hours of practice paid off and won them an

"excellent" trophy to reward their school spirit. The junior high girls' basketball team brought home the championship trophy from the League Tournament. The Scholastic Bowl Team had a busy year attending several meets. The Forensic students competed in four speech meets this year. Cheryl Dunkel took fourth place in drama at the Pueblo Centennial Meet. Several Plainview students attended the Business Olympics. The students again came home with the first place trophy. The Plainview Concert Band had numerous students selected for honor band. The junior class did an

excellent job with their play, "Dracula, Darling." Three students, including Sherry Teeter who won two special awards, competed at the State Science Fair in Fort Collins. The juniors, always wanting to try something different, held their prom in Lamar at the Stagecoach Inn. Cheryl Dunkel and Roland Barnes were crowned queen and king. The elementary students enjoyed their day at the Eads Track Meet and brought home numerous ribbons. The High School Track Team had a very successful year. The competitors won medals at each track meet they attended. Five boys, one girl, and Coach Palmer (along with several boosters) attended the State Track Meet to compete in the 400 relay, the 100 meter dash, and the long jump. Awards night was highlighted with the presentation of the teacher of the year award to science teacher, Mr. John Hamer. The year came to a climax when the Class of 1987 listened to KKTU Anchorman Bill Huddy deliver their commencement address.

A Rebuilding Year

The Hawks had a rebuilding year with only two seniors returning from last year's team. Plainview started the year with a 1-1 record created by a loss to Holly and a win against McClave. The Hawks had two nominees to the All-Conference team; Barb Beaman and Kim Tuttle both received honorable mention. Plainview played McClave in the first round of the tournament and ended up with a win. Plainview faced Eads in the second game of the tournament, but the Hawks were defeated by the Eagles who went on to State. The girls' ending record was 2-14.

HAWKS FINISH BEST EVER

The Plainview Football Team had a very successful season this year as they made their way to the State Semi-Final Game where they faced a very good Arickaree team. This finish in the State Play-offs proved to be the BEST that the Hawks have ever recorded. The Hawks featured one of the state's most versatile running attacks with good efforts from Mark Budde, Jason Coen, and Mike Lening who compiled more than 1500 yards among them. The Hawks had a very strong defense again this year as they held their opponents to 44 points as the Hawks scored 195 points during league play. Mark Budde was named to the All-State Team and Mike Lening received All-Division honors. Jason Coen and Cliff Swisher received Honorable Mention All-Division.

The 1986 Plainview Homecoming was a very successful and eventful one. Freshmen initiation was exciting for the seniors and freshmen. Each day the freshmen had to dress up as something different. Also each of the students participated in different dress-up days. Each class did a spirit wall as a part of homecoming week. The juniors had the first place wall. At the bonfire the sophomores had the winning skit. The highlight of homecoming came during half time of the Plainview Hi-Plains football game when Kim Tuttle was crowned queen and Mark Budde was crowned king. The football game helped make this a very successful homecoming when Plainview defeated Hi-Plains 44-7. The homecoming dance following the game was sponsored by the student council. The theme for the dance was "Heaven In Your Eyes." The music was provided by Colorado Sound and Light.

Girls Give It Best Shot

The Lady Hawks had a tough season this year only having eight girls out for basketball. The Lady Hawks lost several close games, including a heart-breaking overtime game against the Liberty Knights. Plainview lost two other games by only six points. The Hawks had one nominee to the All-Conference team, JoDell Wilson received honorable mention. The Hawks played the Kit Carson Wildcats in the first round of the district tournament. With a win over Kit Carson, PHS advanced to play the Eads Eagles. The Hawks lost to the Eagles, who went on to win the state championship. The Lady Hawks ending record was 3-17.

Hawks Strive To Be Best

The Plainview boys basketball team ended their season with an 8-11 record. Despite the losing season the Hawks tied their opponents for total score on the season. The leading scorers were Mike Hopkins, Mark Budde, Mike Lening, David Walker, Jason Coen, Cliff Swisher, Roland Barnes, and Tom Scott compiling 1076 points on the season. As the scoring indicates the Hawks had a strong bench on which to rely this year. Divisional honors earned were Mark Budde - All Conference and All Defensive Team and Mike Hopkins - All Conference.

Cheerleaders Get Excellent At State

Pep Club

The high school pep club was organized once again in 1986. The year began in the summer with the DCA cheerleading camp at the School of Mines. The cheerleaders brought back many new and exciting ideas. Throughout the year, the club made posters to keep the spirit rolling in the halls at PHS. The cheerleaders attended the State contest, where they performed a cheer and a routine. They received an "excellent" award for the cheer. Good job, cheerleaders and pep club.

Now you're ready for the world.

One Goal Achieved,
Many Beyond.

Graduation

The class of 1987 graduated on May 15, 1987. The seniors were honored to have Anchorman Bill Huddy of KKTU as their speaker. Roland Barnes received the Towner Church Scholarship and plans to attend Colorado State University. Mark Budde will attend Notre Dame and received the Lions Club and Valley State Scholarship. Cheryl Dunkel will attend the University of Colorado. Mike Hopkins who will attend Colorado School of Mines received a scholarship from that college. Kim Tuttle received the President's Scholarship from University of Southern Colorado where she will be attending. She also received a scholarship from Valley State Bank. Amy Zimmerman will be attending the University of Idaho.
