Congratulations men on a fantastic season. Being the first team in history of EHS to win a football state championship is a great accomplishment. Much has been said about "goals" and "attitude" but you men said it better than anyone. The personal sacrifices were made to develop a positive team attitude which allowed us to reach a common goal, the State Championship and the gold!!

Time Out, I have to talk to my dad!

O.K. Mike, That is enough water.

Speaking for myself, it was a great feeling to see this team succeed. The success was long overdue. This team, over the last two seasons, had been forced to battle against inexperience and youth, while at the same time facing a basketball tradition at Eads that simply didn't put the demand for success on a volleyball team. The girls were big enough to place the demand on themselves and to meet those demands in grand fashion. It is my hope that this is the start of a tradition and not just a flash in the pan. The talent and enthusiasm possessed by the underclassmen on this team leads me to believe that the former hope will come true.

Congratulations Girls!

DISTRICT CHAMPS — STATE RUNNER-UP

Back Row L to R - Asst. Coach Gooden, Eric Zimmerman, Marvin Watts, Matt Krei, Mike Hines, Shane Lessenden, Darwin Nelson, Coach Crawford. Front Row - Jeff Woelk, Terrill Frazee, Mike Crawford, Terry Arnold, Artie Lane.

1976 was the last time an EHS boys basketball team competed in the state tournament. The young men on the 1986-87 team ended the eleven year void, and in doing so, won the second place honors. Playing one of the toughest schedules ever, the team can be very proud of the 19-4 record along with the State Runner-up trophy.

WRESTLING

This season was really one to enjoy. There was steady progress in skills from the beginning by every wrestler along with a determination by each to improve. It also helped to have an individual in each weight class except one. We are all proud of Stacy Uhland and his second place at State. I enjoyed this year and hope everyone else did too.

The Eads Eagles baseball team finished the 1987 season winning 6 games and losing 3, and tied in the Arkansas Valley League eastern division. The Eagles were very competitive, losing two of the three games by only one run. Wiley won the division with an undefeated record while Eads and Granada split their double header, leaving them tied for second place.

A lack of experience and depth did not hamper the Lady Eagles in their performance throughout the season. The three freshmen and four sophomores made a strong showing in all meets and won the league title for the second year in a row, Shelly Crawford, Melissa Krei, and Duff Liebl all qualified for the state meet in Aurora. Melissa and Shelly failed to place but Duff won the second place medal in the high jump with a leap of 5'4".

The season was a little different in the fact that there wasn't very many upperclassmen to lead the team. However, each participant was competitive in their chosen events and gained valuable experience throughout the year. It was a fun season and the highlight of the year was winning the league track meet by a wide margin in which, everyone contributed in the total team effort.

STUCO

One of my goals and dreams for our EHS STUCO has been to see that some of our student leaders were able to go to the LaJunta Drive-In Conference in April and to go to Ft. Collins in August and October. All three of these hopes (dreams) came true in 1986.

As a result our student leaders are learning more about responsible leadership, gaining new and better ideas and friendships.

Added spirit signs, loyalty, better organization, enjoyable slide shows, Freshman Orientation, secret pals, and greater school spirit are just some of the benefits from these experiences.

Sincerely,
Miss Doris Lessenden

BAND

The 1986-87 school year was a busy and memorable time for the music department. It was a year with many "firsts." Students performed well in the Christmas concert and the spring concert. Also, the musical "You're a Good Man, Charlie Brown" received rave reviews.

Marching band and Jazz band were back in the schedule after being unavailable for several years. Also, for the first time since 1963, the EHS Band participated in the Colorado State Band Festival.

As always, the Air Force Day trip to Colorado Springs was fun. The 1986-87 year will be remembered as the year the EHS Band came out of the practice room and went to the stage.

This football season proved to be a humbling and learning experience for me as a coach and the boys as players. All the boys contributed a great deal to the team as a whole during practices and the games. I'm looking forward to next year and I would like to wish the graduating class of 8th graders Good Luck in their future athletic endeavors.

Giff

Just as in football this basketball season proved to be a learning process. The boys learned that there are times when giving of their time in practice was not enough, sometimes. As the season progressed each boy showed a lot of improvement in their overall skills. I saw a lot of potential for the future. I'm looking forward to next year and I know that some of the eighth grade boys will be an asset to the high school team.

Wrestling being an individual sport gives me as a coach the opportunity to help each boy develop singularly. Each wrestler has shown that he is willing to learn and improve himself. Our season has been pretty hectic and fast paced, but the boys kept up with it by showing improvement in their drills. Some of the boys have expressed an interest in continuing on with wrestling in high school and I'm sure they will be a benefit for Coach Woods.

Poem to the Seniors

Another year goes passing by
 Another Prom is here
 To some this brings a joyous smile
 To others, brings a tear
 For four years you have tread a path
 From dawn to setting sun
 But now the path gets steeper
 And the climb is just begun.
 We're very glad to know you
 We'll miss you when you've gone
 And to the Class of '87
 We dedicate our Prom.

The students of Eads High School would like to dedicate this page of our 1986-87 Eads High School annual to the memory of Bill Seibel. The students really appreciate all that Bill did for them, both individually and as a school, to make them proud of our school. Bill's hard work and friendly smile will be missed by all of us, so we dedicate this page to the memory of Bill Seibel.
