This year’s theme for Homecoming was ‘Songs’. Homecoming fell on Fair Week so we had Spirit Week Sept. 1 - 10. The Freshman dress-up days were as follows: Bobby Day, Sesame Street Day, Sports Reversal Day, and Sr. Point Day. For the rest of the students it was Punk Rock Day, Nerd Day, Hawaiian Day, and Tourist Day. The spirit week was a great success with everyone joining in the fun. The pep rally was Sept 6th and we had lots of laughs at the skits. The Juniors won ‘Class with Class’ for the second time in a row. The Homecoming game was Sept 9, and we beat McClave 44-22. The Homecoming parade was combined with the Fair parade on Sept 10th. The Freshmen made the only float and won 1st place followed by the Juniors, Seniors, and Sophomores. The dance was held a week later on Sept 16 which ended the festivities.
The state class A-8 man championship game proved to be one of the best state championship games ever. I was very proud of my team, especially on defense. We kept Granado from making the "big" plays and held their explosive offense to just one touchdown. Also, after the first quarter we moved the ball against Granado on offense. We did it the hard way with three yards and a cloud of dust which showed the discipline of the young men on the team.

I appreciate the effort given by the players and I had a good feeling when the team finally come together to reach the title game. I hope that each individual received something through participating on the team which will be beneficial in their future.

AN ATHLETIC EXPERIENCE - LADY EAGLE BASKETBALL

"THE YEAR"

COACHES' COMMENTS  SEASON RECORD

The 1988-89 season started out good. Their fifth win of the season was to Fowler, the now A-I State Champions. Going into Christmas break they had a 6-0 record and were eagerly anticipating what the new year would bring.

Coming back from break, the Lady Eagles showed a lot of promise. They were right back on track with six more wins. Some very sweet wins were to Stratton, the defending State Champions, Granado, who placed third in the 1989 A-I classification, and Crowley Co.

With two-thirds of the season under their belt, the ladies were playing exciting basketball. They were ranked No. 1 in the A-I polls and had only one more real test before districts. The ladies won their next two games before a showdown against Flagler. The latter being undefeated and the ones who eventually become runner-up State Champs in this year’s A-II Division. The girls fought hard and came away with a 56-49 win.

Finishing the regular season undefeated and with three more wins needed in order to advance to the state tournament the ladies knew they had a tough test in front of them.

They went on to win the first two district play-off games over Springfield and Swink. By doing so, they advanced to the Championship game against Crowley Co.

With the dream of a perfect season intact, the Lady Eagles went into this game knowing they were against a very good team. They were up after the first quarter but the game was tied at 25 in the first half. When the buzzer sounded at the end of the third quarter Eads was ahead 35-33.

Fouls were a decisive factor for the Eagles during the game. The team lost two players due to fouls shortly after the fourth quarter began. With 9 seconds left in the game, a C.C. player hit a corner jumper to put them ahead. With only a few seconds left, a hurried shot was attempted. It was a heartbreaking loss to C.C. the 1989 A-I Runner-Up Champions, with a score of 44-43.

Congratulations to all the ladies on a fine season. They showed good attitudes and worked extremely hard making it a very enjoyable year. Many thanks to all the fans for their support throughout the year.

CONGRATULATIONS EAGLES ON A SUPER SEASON!!!!!
This season was a great one! The team ranked in the top 10 the entire year and produced three state placers. I was proud of each Eagle and of the toil, sweat, tears and sweet victories throughout the season. The seniors will indeed be missed and will be remembered for their many accomplishments.

The track season was enjoyable for myself, and I feel also for the four individuals who participated this season. Never having to be concerned with team points, the tracksters could relax and know that risk taking in their events would not have a great effect if the risks didn’t pay off. The distance crew of Heather, Amber and Wendy had a good season with numerous personal records. Duff established a winning streak in the high jump along with two state records. In addition, Duff broke the school 200 meter record and never finished below 2nd in the long jump all season, with nothing but firsts through the regular season.

COACHES COMMENTS by CRAWFORD

The 1989 baseball team recorded more home runs than any other team since I have coached the Eagles. We did have trouble getting hits with men on base and putting hits together. Although our record may not have seemed impressive, all our losses were to teams rated in the top ten in the state.

Awards night is held in honor of those students achieving academic excellence. Class and organization awards are presented as well as many scholarships to seniors planning to attend college. Any time a student is presented an award, he or she should be proud of the outstanding accomplishments he or she has achieved. Awards night is a way of saying, "We are proud of what you have done and want to reward you not only with a pin or a certificate but with public recognition as well." E.H.S. should be proud to have so many fine academic students.

Miss Less, with the assistance of StuCo President Polly Howe, presents art awards.

When I'm With You

April 15, 1989
9:00 p.m. - 12:00 a.m.
On winged feet the four years pass
And now we honor our Senior class.
Beyond these walls, this town, this state
A whole new world now lies in wait.
You've much to learn, we're often told
Wisdom to gain before you're old
But tonight-before you turn and go
Your separate ways, as well we know,
Enjoy this place, these hours, this school
In memory they'll return to you.

Memories
Tonight a curtain closes,
And we take a final bow,
To the four years we have spent
Which are slowly ending now.
But let time stop this evening,
For just an hour or two
As we recall the memories
That seem, right now, too few.
And gathered all together,
We will not say "goodbye"
For thoughts that will prevail
With us, of you, will never die.
