MARLA

WE'RE NOT WORTHY!!!

This year's journalism class was quite different than any other class before. Many of the students were athletes for part of the school year and journalism students for the rest of the year. It made the year very hectic having people pop in and out of class

Problem were many!

Screaming at the rotten computer was quite regular!

Everyone being frantic on the day of deadlines was a given!

And joking and laughing was a must.

We had a terrific group of students working hard and pulling together to make this one of the best yearbooks Eads High School has ever seen (or at least I think so).

We all deserve a special congratulations on another great year gone and done.

Thanks for a great
year,
Jaton

The glamorous looking girl above is Shannell Eder. She was dressed as Cindy Lauper. The group standing in Mr. Conrad's room is known as this year's freshman class. The boys are dressed as cheerleaders and the girls are dressed as football players.

The three freshman who look like farm animals are Sam Watts, Heidi Weirich, and Kerry Kemper. They were two Billie goats and a Llama. To your right are two hippies. Can you guess who is with Ranee?

* at Regionals!

B.A.--
Giving us
that evil
look.

* Cody-Sly like a Fox.

This season once again proved to be an exciting one. It looked like we were going to have big numbers for a change with the Eads/Wiley co-op.

As the season progressed we seperated the men from the boys, losing half of our kids we finished with eleven members at the end of the season.

Our highlight as a team was the Yuma team dual tournament. Winning over Yuma for 1st place in a very close dual was exciting for all of us.

We spent the rest of the season missing one or two wrestlers due to illness or injury making it tough to win the big one.

We were a very young team with only one Senior, Matt Weber, who unfortunately was sick through most of the season, three very tough Freshmen and three Juniors who definately gained a lot of respect this season.

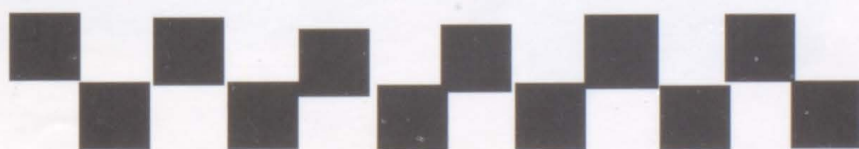

We had two regional champs, Brandon Adamson and Bart Michael; a runner-up, Cody Fox; and Kerry Kemper taking home 3rd place.

At state we finished with a runner-up from Brandon Adamson and a 4th place finish out of Kerry Kemper.

Having two returning state placers and two more stae quaifiers, Cody Fox and Bart Michael along with Freshmen Tearle Lessenden and J.T. Adamson, we should have the leadership and the talent to have one of the best seasons ever in 1996-1997.

Congratulations and good luck next year wrestlers.

Doug Uhland

I feel that it has been an honor to serve the Kiowa County RE School District in a dual capacity as both High School Principal and Superintendent for this 1995-96 school year. To work with the quality individuals, (students, teachers, and support staff), that we have here has also been a pleasure.

Preparing our young people to go out into the real world and be successful, productive citizens must be our number one objective. The growth that I've witnessed our students make this year regarding discipline, responsibility, and accountability for their actions reinforces my belief in a bright future for all of us.

As Charles F. Kettering said, "Our interest must be in and of the future, because that is where all of us will spend the rest of our lives."

Thank you, Mr. Lanny Davidson Superintendent/Principal
