## Coach's Comments

The Eads Eagles 1997-98 volleyball season kept us busy with three seniors, ten juniors, six sophomores, and seven freshmen on our team. Practices were always filled with lots of noise, drills, and hustle. Although our record was not perfect, the girls put a great deal of effort into improving as a team and as individuals. If they continue this way, each season is sure to improve. I was glad to be a part of their team this season.
