Senior Favorites

In the future we see...

Robyn- as a day care assistant in Calhan.  While working as a C.C.A. she will save money so she can open her own day care.  After this she will settle down with her Mr. Right.

Monty- being a successful race car driver and making great strides in diesel mechanics.

Dustin- becoming a successful rancher with great amounts of wealth.  Maybe he will get into rodeo and will become great at that, too!

Summer- married to Raymond and having one kid, and being rich.

Amy- a successful art therapist married to Ky Davis, but no kids.  During her spare time she will sit on the beach in Mexico with Ky reading poetry to her.

Kodie- being rich, living in Montana and driving the newest Dodge Viper in the country.

Matt- being very successful in whatever he decides to do.  He will have about twelve kids and enjoy every minute of his life.

Nikki- having a lot of fun.  She will marry Laney, have kids, and become a teacher

Shurrell- will be in the Navy.  She will get married, but I do not see any kids until she is 40 and retired from the Navy.

Haley- will be a happily married mother living in a small town in Texas, raising a family with either two or four kids.  Possibly two sets of twins with long eyelashes.  Her family will be current on the Texas Longhorns season and her kids will ride on their daddy’s fire truck every summer during the annual county fair.  She’ll never understand the thrill, so she’ll stand on the sidewalk and wave.  She will be a kindergarten teacher, and will consider herself lucky and blessed.  A happy home, a wonderful husband, sweet children, a satisfying job and her best friend only a e-mail address away--lying on the beach in Mexico reading poetry.

Amber- as a successful person, living happily in Eads with two rottweilers.

Ky- in twenty years he will be a successful dentist, married to Britney Spears after a very successful root canal.  He will retire from dentistry and go on to become the caller for the world’s largest bingo parlor.

Megan- married and having kids, living in her mom’s house, still driving her blue camaro and being president of the PTA.

Mary Lou- having a husband and four children.  They will live on a nice little ranch in Oklahoma.

Julie- will become a very successful pharmacist and mother of three, live in a fairly big city making lots of money while having her dream house built.

Bobbie- Working with handicapped children and being a great mom.

Karl- Working in a Maryln Manson store.

Justin- will become a star television comedian.  He’ll visit his friends at their restaurant with his wife Britney Spears-McLoud.

Timy- living on a ranch and eventually marrying and having a family.

Brian- will become a successful paramedic who saves Britney Spears’ life, they’ll eventually get married and have 2.4 kids.

Danyelle- will become a very successful artist who always wears black.

Kyle- will marry his college sweetheart Britney Spears.  Kyle will pursue his childhood dream and own a zebra.

Tyrell- becomes a rich lawyer, eventually marrying and starting a family.

Kyle Barnette tries to get a third strike to end the inning.

Dustin Uhland waits for the pitch that suits him best.

Skyler Weeks slides back to second before they get the tag.

Miles Philpy and Taylor Gray walk back to the locker room after a game.

Coach Crawford tells Tim Howard that he'd better hurry up if he wants to make it to second safely.

From Left to Right: Ryan Trosper, Trey Eder, Dain Barnett, and Cosch Randel walk back to the locker room.
Rex Barlow, Tim Howard, Glen Beeson, and Brain James walk back to the locker room after their game. Tim Howard congratulates Brain James as he crosses home plate.

Justin Crow goes to first after being walked. Mr. Crawford and Keyvis Gilmore look to make sure the player on second is safe. Trey Eder waits for the sign to steal second.
The banquet was a little different this year than in years past. The change was very beneficial to everyone. This year, rather than a formal banquet, the leadership held a barbecue. I felt the barbecue was more adequate than a formal dinner. After everyone was finished eating.

The coaches stood up to tell about their team(s), and the year they had. Most of the coaches mentioned how the team and players had improved. The evening was a great way for the students and family to come and be recognized for their efforts. Students also got to listen to how well they did and how they can improve.

Parents go to offer their support and see how their student effected the team.

Everyone can go just to see their team together one last time before the year ends.
The Academic Awards ceremony is an important event. Everybody should attend because every student will receive recognition. In years past the awards ceremony was held during school. This year, however, the ceremony will be held in the evening as a convenience for parents and fellow community members who can more easily attend at this time. We hope that more will attend because this is an important event.

Miss Lessenden is one of the teachers who organizes the awards. She gets the envelopes, writes down the students names, and puts most of the awards in. She often asks some students to help her organize the awards and the envelopes. Dorie Musgrave also gets the awards ready to go. She also sends out the invitations.

For the first time since 1992, the Eads Knowledge Bowl Team made it to State Knowledge Bowl at Adams State College in Alamosa. Their team consisted of Brian Miller, Ky Davis, Matt Bain, Grady Weeks, and Rob Miller. They placed 6th in the A classification! Way-to-go, guys!

With the money made from the cake raffles, the Knowledge Bowl bought trophies for their tournament and took a trip to the Museum of Natural History in Denver, which most of the kids seemed to enjoy!

“We had very competitive teams.” Mrs. Wall says when asked about her thoughts on the year, “We had 8 kids on the A team at various times—all did well there. The students who weren’t on the a team made a VERY strong B team. Most team members took competition seriously but at the same time they had fun.”

The Knowledge Bowl Team will miss the Seniors. They are losing 6 Seniors but there are several underclassmen coming back who will assume the leadership role and they think they can go to State again!

Top Row: Mrs. Wall, Mr. Kelley
2nd Row: Brian James, Taylor Gray, Ryan Trosper, Elizabeth Davis, Rina Wilkes, Karl Eikenberg, Matt Bain, Grady Weeks
3rd Row: Hillary Kerfoot, Treva Richardson, Meredith Koch, Kyle Mitchell, Justin McLoud, Jennifer James, Michael Zimmerman, Amber Watson
Bottom Row: Ky Davis, Brian Miller, Rob Miller, Bobbi McPherson.

There were 21 students out for Knowledge Bowl this year!

Junior/Senior Prom

Dedication to the Seniors
Taken from the Prom Book

Another year goes passing by
Another prom is here
to some this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb has just begun.
We’re very glad to know you
We’ll miss you when you’re gone
And to the Class of ‘00
We dedicate our Prom

Thank You Juniors.
Prom was beautiful and you
made us all cry. Miss us next year
because we will always miss you and
the times we have had the last four
years.
Always Remember Us,
Megan & Dani
