The eight ball, not the one that is used to play pool, but the magical ball with the triangle floating in blue water, has been consulted to reveal the truth of the 2001-2002 yearbook. It says, “Outlook good!” When searching for your future outlook our hope is that you will look within, and remember, set your sights high, because ANYTHING IS POSSIBLE!

Do you remember? 1989-1990? So long ago? George Bush Sr. was President, we entered the Gulf War, the "electronic Age" began its boom, Dances with Wolves won the Academy Award, but you were watching Home Alone, Cabbage Patch dolls and Rubik's Cubes were popular, and you still thought adults were smart! Do you remember?

Faithful and true-hearted, let us boost our dear old high. May we always rank the highest, may our colors ever fly. We still stand for her united, every deed we'll proudly tell. So colors gleaming, bright faces beaming, here's a yell for her, that we all love so well. Joyous and ever loyal, let us boost our dear old high, may every heart sing, may every voice ring, there's no time to grieve or sigh, so ever onward our hearts pursuing, we still fly our colors true. And united we will boost for her, boost for her, our old Eads High.

What Cancer Cannot Do
Cancer is so limited...
It cannot cripple Love
It cannot shatter Hope
It cannot corrode Faith
It cannot destroy Peace
It cannot kill Friendship
It cannot suppress Memories
It cannot silence Courage
It cannot invade the Soul
It cannot steal eternal Life
It cannot conquer the Spirit.

Want to know what we have been up to all year??

The class of 2003 has had an extremely busy year! This past summer we had a hamburger fry out at the lakes. Which had a huge turnout and made for some awesome memories. We now know that you can fit more than 5 girls on an innertube and still manage to have fun. Once school started we were back into the swing of things and started the concessions for football. The beginning was horrible, but we pulled together and got through it! We got the privilege of being the first class to use the new concession stand, which was wonderful! Our next project was Homecoming. Royalty was Casey Gibbs and Riki Berry. The theme was Thunderstruck, thanks to our creative parents and class we managed to win the title of "class with class". Our skit was last minute, but will be remembered by our class for a long time. We spent many hours decorating the hall and gym as well. Basketball season was rough because most Juniors were involved with basketball or cheerleading. We did, however, serve dinners at all the games, which turned out nicely for us. Then on to baseball, which was a cakewalk because by then we were convinced that it couldn't get any worse! Prom was our final project for the year. We spent several nights and weekends working on prom. We wanted it to be special for the seniors and we hoped that they would remember it forever! After everything was done we all realized that it had been worth it. Now it's time for summer break and we are almost seniors!!! It was a great year for the Juniors!

Great 4
Years Senior Girls. Good Luck!!

Words from Coach Randel

The 2001-2002 girls basketball season was a very enjoyable and exciting one. The girls are now the two time defending Christmas Tournament Champions and made, this groups, first State Tournament appearance, walking away with a third place trophy. There were many memorable moments and outstanding plays made throughout the year, but the game that will stand out in my mind and capped off our outstanding run was the Limon game. Sometimes greatness does not always result in wins on the court, but it does produce greatness among individuals. The graduating seniors will be missed a great deal next year. The leadership and work ethic they brought to the court will be hard to replace. I wish them good luck in the future and thank them and their parents for the endless hours they put into the games.

Top to bottom left side: Tobi Berry, JaLynn Richards, Meredith Koch, Darci Weeks, Jamie Richardson, and Jessica Watts. Top to bottom right side: Treva Richardson, Tiffanie Gooden, Riki Berry, Holli Watson, Morrell Koch, and Alysha Uhland.
What was the most memorable event of this year's basketball season?

**Treva Richardson; Junior**
"Beating McClave was a great experience, and at state basketball when Mered, Tobs, and I had to sleep in one little bed together because our room was haunted."

**Jessica Watts; Sophomore**
"I would have to say that it was the first week of basketball, when we were running SO MUCH!!"

**Morrell Koch; Freshman**
