Lara Rose Morlan

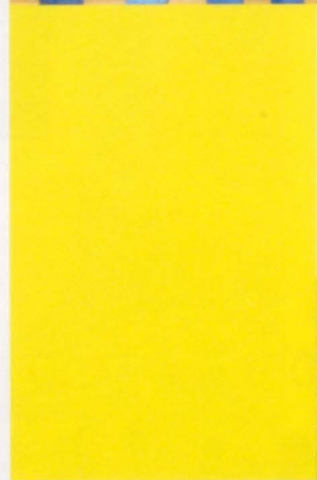

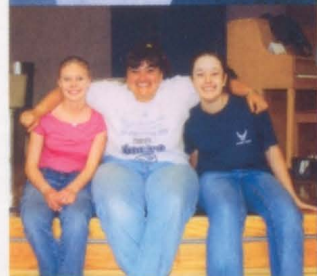

An angel in our midst,
We didn't know it was so.
We tried to hold on tight,
Not wanting to let go.
We face hard times without
you,
Often trying not to cry.
It was much too soon for us,
To have to say good-bye!

Senior Class Wills

I, Steve Seay, will to Mrs. Barnett not to let anyone use my office (especially Dain). I, Steve, will my ability to put up with the computer problems in this school to anyone who thinks they can stand it.

I, Lacy Adamson, will to the underclassmen my ability to be happy and be yourself. I, Lacy, will to the underclassmen these wise words: "A Thousand Miles Begins With One Step."

(Senior Motto)

I, Chad Barnett, will to all the underclassmen to always listen to music. I, Chad, will to Dain to listen to his music really loud.

I, Ashley Brown, will my ability to do what I want to do, whether or not it is the popular thing to do, to Jenn Lynn. I, Ashley, will my driving abilities to my brother, Victor.

I, Cody Cordova, will to the Wrestling Team, to not worry about going to practice and be as mean as possible to Tinnes. I, Cody, will to Brandon to stop hanging out with nasty girls and get a hair cut.

I, Cory Crow, will my ability to do things and not get caught. I, Cory, will to the underclassmen the ability to never study and get A's on tests.

I, Kayla Frederick, will to Rachel Buck to not be scared of the "Walmart Spider." I, Kayla, will to Jenn Lynn to keep the tradition of the P.P.G alive and to never change.

I, Steven Gilmore, will to my brother my ability to give the bird to people talking crap. I, Steven, will to the football team to get killed by the other team.

I, Briana Kerfoot, will to Bethany the ability to be confident with who you are and what you look like all the time and not to listen when someone tries to destroy that confidence. I, Briana, will my ability to all the High school students to not talk crap for one whole day.

I, Sabrina Kiniston, will to all the underclass girls not to worry about their weight and how TAN they are. I would rather be a human than an orange, and also, guys like girls with some meat on their bones. I, Sabrina, will to Holli Watson my ability not to fall in love with a guy so fast, because they will break your heart.

I, Raina Kliesen, will to Rachel Brown the ability to fall in love with all the Flagler guys and to stand up for yourself. I, Raina, will to Tasha to be a sweetheart and to always smile.

I, Levi Kraft, will to all the underclassmen to never forget the BJ dance. I, Levi, will to James the ability to not get caught.

I, Shawn Kraft, will to Jacob Kraft to be electricuted by upperclassmen at an overnight Wrestling tournament. I, Shawn, will the ability to have late nights in the rain and have fun to the underclassmen.

I, Amanda McCloud, will my ability to Lysh and Brittany to have a fashion show in the locker room before every Volleyball game. I, Amanda, will my ability to Dain not to have nightmares about that scary beaver.

I, Rachel Puls, will to Rachel Buck to have fun and not let the Wiley tradition die and not to be scared of the "Wal-Mart Spiders." I, Rachel, will to Elizabeth to remember, life is short so don't sweat the small stuff and live it up in High School.

I, Brad Rehm, will to underclassmen my ability not to talk about drinking so much. I, Brad, will to underclassmen to not hate Civics as much as me.

I, Jamie Richardson, will my ability to change my hair color from black to red to Milly Spady. I, Jamie, will my ability to make a complete dork of myself and not be ashamed of it to Morrell Koch.

I, Alma Salinas, will to Heather my love for horses. I, Alma, will to Tasha to continue on her Sea Collection.

I, Anthony Voss, will to the underclassmen to let someone take their car for a joy ride and put weeds in it. I, Anthony, will locker number 23 to the fortunate or unfortunate senior.

I, Jessica Watts, will my ability to my brother Adam to always be a great kid, for mom and dad's sake. I, Jessica, will my ability to Adam and Braylynn to always think before you act. And for Jennie to love me always!

I, Darci Weeks-Johnson, will to all EHS girls that there is more to life than drugs and being anorexic, just be happy. I, Darci, will to the underclassmen to enjoy each morning with hipster-hip.
