Faithful and true-hearted, let us boost our dear old high. May we always rank the highest, may our colors ever fly. We will stand for her united, every deed we'll proudly tell. So colors gleaming, bright faces beaming, here's a yell for her, that we all love so well. Joyous and ever loyal, let us boost our dear old high, may every heart sing, may every voice ring, there's no time to grieve or sigh, so ever onward our hearts pursuing, we still fly our colors true. And united we will boost for her, boost for her, OLD EADS HIGH!

Wes Borns

Wes Borns was our classmate until June 2002 when he lost his courageous eight year battle with cancer. He seldom complained but bravely carried on with his journey through his short life. Wes loved the outdoors and was an avid hunter. He enjoyed FFA and earned the coveted Star Greenhand Award. We regret his unrevealed opportunities, unrealized potential, and unfinished hunts that a longer life would have given him. He left his infectious laugh in our ears and footprints on our hearts forever. He was one of us, and we will always remember and miss him.

"The best part of
playing football was
the action, excitement,
and the hard hitting."

To next year's football
team, "Play with
confidence and don't let
anyone intimidate you."

"I think that I set a good example by
demonstrating hard work during practice and
in games, encouraging others who made
mistakes rather than getting down on them."

"Our record doesn't show how good we
actually were. We were a very young team that
showed amazing talent and excitement. We
were still in a lot of our games, and even won
some."

"The best part of football
was the game, the
hard-hitting, and the
crowd."

I would like to say to next
year's football team, "Play
with confidence and work
hard over the summer."

"I think that I set good examples by
demonstrating hard work and encouraging
everyone to do their best."

"I think that this season was a rebuilding year. We
were very young, but the important thing is that
we got better as the season went along."

I have had many enjoyable memories being a wrestler at Eads High School. My favorites would have to be the ones with my coaches and my fellow senior, Kelly. I have wrestled since I was in Kindergarten, and Kelly is the only one that has stuck with me the entire time. Making it to State was a huge accomplishment for me, and being a part of a team that brought all their wrestlers to state is very cool. I have always enjoyed wrestling, and I am going to miss it very much. I would like to tell the upcoming wrestlers, "Good luck, don't give up, and try your hardest, not only on the mat, but in everything that you do in life." The season went very well this year. The freshman did very well, especially when they made it to State. That is a great accomplishment in itself. I had loads of fun all season long, and I hope that the fun continues, even though I am gone. I have never been the best wrestler, but I did what I could, and I accomplished many goals in the process. Have fun next year, and don't give the coaches too much grief!!!

Mr. Finnes and Mr. Jagers coaching the boys at the Eads' Tri-match.

Some of the wrestlers messing around at the State Tournament.

Branden, Hunter, Kevin, and Josh going through the parade of teams at the regional tournament.

I have many memories with high school wrestling. I am really glad that I was a part of the team. I would like to tell the underclassmen to always try their hardest, no matter who they wrestle, and at the same time, give the coaches a hard time. I am going to miss being a wrestler, and I'll miss our coaches as well. I will especially miss being a senior with Josh.

Senior, Jennifer Lynn, and Captain, Rachel Brown, comment on "How The Season Went..."

"This year, I believe we have accomplished much more than we give ourselves credit for. I have enjoyed every year in dance; however, this year has been the most memorable. I would like to thank all of the dancers for making that possible. Congratulations on such a successful year girls!!"

Always, Jenn~

Brandy Turcotte, Rachel Brown, Jennifer Lynn, Coach Kathy McCracken, Adrienn Adamson, Alyssa Hadley, and Tasha Hueller

"I feel the season went really well. Every girl attended practices very well, and even if they didn't, they always got with another team member to help them out with the dances. All of the girls worked really hard to fit dance into their schedules and to get the dances accomplished. I'm proud of every girl this 2004-2005 season and I hope next year's team will be just as good as the team this year! Thanks for letting me be your 2004-2005 dance captain! Congratulations on a great season girls!"
