2007-2008 marked the second year since Plainview had resumed their boys' high school basketball program. The boys improved greatly this year in comparison to last year, increasing their win total from one game to eight. All in all, they all had an enjoyable season.

This year I was part of a completely different team than last year. My teammates inspired me to do better, and when we almost beat Chevenne Wells with only four girls on the floor was something I will never forget!! I'm proud of our team and plan to do even better next

Senior Sneak 2008

On May 25, 2008, Alex, Jennifer, Keith, and Lana flew out of Denver International Airport on their way to San Antonio, Texas. They spent four days there and did everything from "Dinner with Shamu" at SeaWorld to spending a day at Schlitterbahns to taking a boat tour of the famous San Antonio Riverwalk. In addition, they swam, hot tubbed, checked out some cool hats/sombreros, had fun in the sun, took in the Alamo; and of course, they shopped. As you can clearly see, a good time was had by all.
