

KIOWA COUNTY PUBLIC LIBRARY DISTRICT

Traditional Collections

We offer a traditional collection of books, DVD's, CD's, audiobooks, and magazines on our shelves. We welcome you to come in, browse and check out material in-person anytime during regular business hours. You can also call us to request material at 719-438-5581. If you prefer, you can place a hold or check the status of any of these items using our online catalog at <https://kiowacounty.catalog.aspencaat.info/>.

We are members of the Aspencaat consortium which is a group of over 100 Colorado libraries that share material (books and DVD's) among members. This means that as our patron, you have access to **over a million titles** across Colorado through our Interlibrary Loan program (ILL). You can order ILL material through our online catalog or by asking a librarian.

If you can't locate an item – let us know, we can help!

We will do our very best to find any item that you may be searching for. In addition to Interlibrary Loan, we have other resources available that our librarians can use to assist with the search. And of course, we welcome purchase suggestions.

Digital Collections

Kiowa County Public Library makes over 31,000 items available to library card holders for access on Computers, smartphone, tablets and other mobile devices. These materials include eBooks (for reading on your device) and Audiobooks (for those that prefer to listen to a book). Our digital collections can be viewed and /or checked out using our online Cloud Library at: <https://ebook.yourcloudlibrary.com/library/AspenCat/Featured> .

Non-Traditional/Special Collections

Library of Things:

- Cake Pans** – Why buy when you can borrow? Lots to choose from for that special occasion.
