

Hooray! It's S-U-M-M-E-R Time!

Time to be outside, bike, swim, boat, fish, play ball...

Time for a break from school; but hopefully not a break from reading books!

THE KIOWA COUNTY PUBLIC LIBRARY ENCOURAGES CHILDREN TO CONTINUE READING DURING SUMMER!

- Attend the Library's **Summer Reading Program** (SRP). Bring your siblings, friends, & relatives with you for *one* or *all four* sessions on Wednesday afternoons: 1:00 - 2:30 PM; June 26 - July 17, 2024.
- **WIN prizes for the "most pages read"** from the first day school is out through the last day of the 2024 Summer Reading Program. Top Three in each group win GRAND prizes (9 total)!
- **Visit us at the Library Tuesday–Friday** and check out a book; have fun learning on our children's computer; create Lego or brain flakes sculptures; play a game on one of four computers; or challenge someone playing our wall-mounted games. Bring your younger siblings/friends to play and learn on one of our activity boards!

2024 Reading Log (May 17 – June 26)

(Must be registered for the Summer Reading Program to submit this initial log)

PARENT / GUARDIAN -- How to complete your child's reading log:

1. Write the **title & number of pages** of each book you read with your child (or your older child reads alone). *The below log documents pages-read from the **time school is out** (May 17th) to the **beginning** of the Summer Reading Program on **June 26th**. (NEW weekly reading logs will be **provided during** the SRP.)*
2. **Date** and **initial** your name next to **each** book listed. Pages-read must be verified by you to count toward the "total pages-read" in your child's SRP group.

HAPPY READING!
